

## **From Start to Finish**

*"The one who calls you is faithful and He will do it"*  
(1 Thessalonians 5:24).

It's never too late for you to become all that God created you to be. He can take a life... no matter how broken... and make of it into something beautiful and unique.

Every difficulty you face matters to God! From start to finish, the Bible proclaims the mighty power of God. God's plan for your life isn't a map you see all at once. Its like a scroll that is unrolled a little at a time.

Only God knows everything, therefore only HE is able to understand why things happen they way they do. God knows exactly what you need, who you need and when you need it!

He isn't bound or trapped by time like we are. There was never a time when God wasn't. The truth is, He has no beginning or end. He just...is. God is never off His guard, He is never asleep, and HE is never too busy to answer when you call

There are times in life when inwardly, emotionally or physically you are engaged in difficult things. The truth is, it is God who knows just how to care for you through them. No matter what today or tomorrow brings, God can handle it.

"I am the LORD, the God of all mankind. Is anything too hard for me?" (Jeremiah 32:37).

You need to trust HIM that He will work it out. That's what real trust looks like, and it's the one thing that will get you through life's seasons of suffering and times of uncertainty.

God is bigger then anything you're facing and the truth is HE has a way of using those things that are working against you to your own advantage if you'll just trust HIM to help you through it.

It is His grace that helps you to overcome all things....and all things means "ALL THINGS." When God gives you a promise in HIS spoken WORD, it is not as though He is going out on some kind of limb. It is already an established fact and there are 30,000 promises in the Bible to support it!

Knowing about God is one thing, but knowing HIM will change you and that's really what life is all about. Want some more truth, the things you can't change, end up changing you.

Life is a gift that God gave you for a reason. You have a purpose. You're special. You're loved. Never forget that. What ever it is your facing, God is already there. What ever it is your dealing with, God will help you. What ever is pressing in on you, God's grace is covering you.

God is right there with you to holding your hand, to provide strength and comfort, and to encourage you!

God's love, mercy and grace is available to meet you right where you are, NO matter where you are....
