## **MEETING COORDINATORS, INC. PRESIDENT ANN BRUTTELL ON TROY CHAMBER OF COMMERCE**

### **PANEL CELEBRATING FEMALE BUSINESS LEADERS OF TROY**

Ann Bruttell, President of Troy-based Meeting Coordinators, Inc. participated in the Top of Troy: Women of Influence panel discussion on Wednesday, September 30, 2015 at the Management Education Center in Troy.

The breakfast program focused on four female business leaders who have had a major influence on business in Michigan. It explored the challenges they've overcome on their path to success, the key tools they've used to remain focused along the way, the daily decisions they face, and how being a woman has affected the choices they made to get there.

Established in 1988, Meeting Coordinators Inc. is a leading corporate event consultant and association management firm. Among its clients is the Marketing and Sales Executives of Detroit (MSED), where Ms. Bruttell has been executive director of MSED for 27 years, guiding that organization through many changes, as it has remained highly relevant over the decades.

Bruttell shared the dais with Alison Jones, Director, Global Supply Chain Operations, Delphi; Debra Thorpe, Senior Vice President, Strategic Accounts and Operations, Kelly Services; and Muminder LaVelle, Executive Director of Quality, Inteva Products.
