

When a person has a meaningful encounter with Gods' Love it means a transformed life for the one who receives it. There is only one way to receive Gods' love, and you receive it in the same way that you receive everything else in the Kingdom of Heaven, by faith.

In this **3 CD teaching** on "The Steadfast Love Of God" Dr. Hohman will bring truth to light of our God and our Father as He really is, LOVE. 1 John 4:7-10 "God is love." Some people believe that God is a force without heart, and there are others who believe that God is law without pity, but in reality "God is Love" 1 John 4:8. It is a necessity of His nature, it is His very nature to love. So even though man is separated from God by a sinful nature, because God is love, He has to express His love to all of His creation even in a fallen state. God cannot exist without loving. There are other earthly forms of love but each one is governed by attractions, feelings and emotions because of Adams fallen nature. Gods' love is constant towards us no matter what because it is not a love that can be controlled by feelings or attracted by emotions. David said, "Though my father and mother forsake me, the Lord will take me in and comfort me with His love." Ps. 27:10

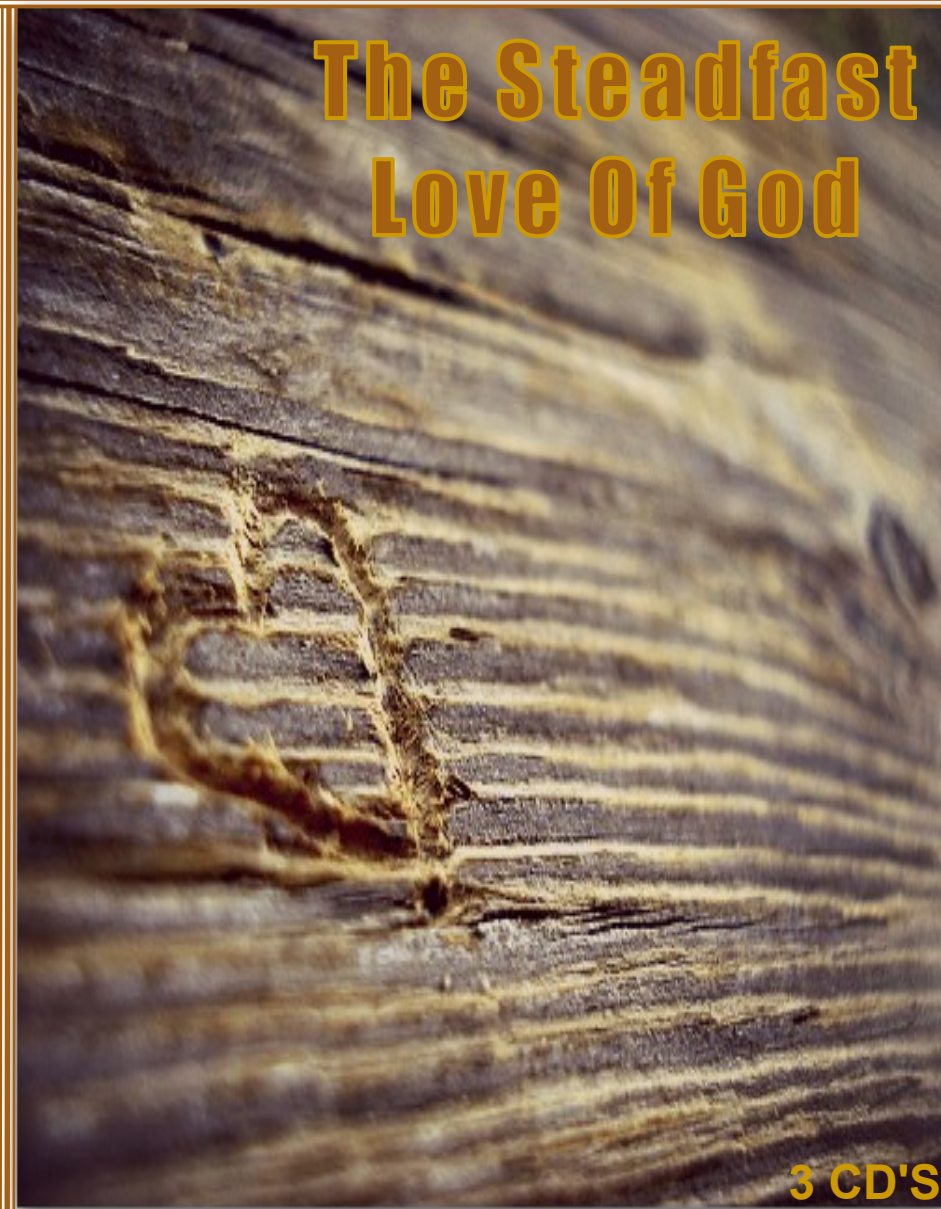

The steadfast love of God is who He is to you no matter what season of life you are going through. The confidence that we as believers can rise up to is immeasurable when we know the steadfast love of God.
