## Principal's News

With only seven weeks left of school (**last day Friday, June 17**), we have several events planned in the weeks ahead. Please make sure you circle on your calendar any graduation dates and or times your child may have an event coming up during that time.

With it being **Teacher Appreciation Week** the week of May 2 (**National Teacher's Day** on **Tuesday, 5/2**), I would like to thank our wonderful faculty & staff for all that they do for our students at St. Paul School. I can't express my gratitude enough for all that our teachers and teacher assistants do and how well they work together on behalf of their students.

Please be on the lookout for information going home in regards to our **Spring Walk-A-Thon** which is scheduled for **Friday, May 27** at Fay Field from 11:00-1:00. This is our last major fundraiser event of the year that we hold. We had a Fall Walk-A-Thon as well last October that raised much needed funds for both student scholarships and gym supplies.
