

OUR MISSION STATEMENT

The Global Outreach Haiti Mission is a multifaceted ministry meeting the needs of the total man with a commitment to feeding the hungry, clothing the naked, and providing potable water to the thirsty. The ultimate objective of all these ministries is to point people to the saving grace of Jesus.

ABOUT US

Before moving to Haiti, Nicky and Kristie lived in Hendersonville, NC. Nicky was previously involved in the construction industry and Kristie was working in dental care. Their first mission trip to Haiti was in 2001 where they led teams of young adults in life-changing experiences. The Lord spoke to them concerning full-time mission work during their 3-month Haitian trip in 2002. Nicky and Kristie believe God has called them to fulfill His leading and are seeking prayer and financial support from fellow Christians.
