The link for our tickets can also be found at www.studio55dance.com, our Facebook page, and on our Instagram page.

Tickets are sold on a first come first serve basis and are reserved seating.

There will be no exchanges or refunds on any ticket orders. **ALL SALES ARE FINAL.**

Tickets will be sold ONLINE ONLY. No paper tickets will be available at the door on the day of recital.

- ★ Children under the age of 2 do not need a ticket IF sitting on a parent's lap.
- ★ There is a limited amount of handicap seating available.
- ★ Dancers do not need a ticket because they are performing in the show. Performers are not allowed in the auditorium during the show for any reason.
- ★ You do not need to purchase a ticket for the day you are volunteering in the dressing room.

A digital download of the show will be available to purchase on the recital ticket site for \$45. If you purchased this option last year, you will receive a separate email from DRT with a gift card towards the purchase of a digital download for this year. The videographer from last year provided this as an apology for the delay in delivery. We have hired a NEW videographer!

The option to purchase a recital t-shirt will be available on the recital ticket site. This shirt will have the recital logo on the front and the full cast list on the back. Shirts will be distributed to dancers at the recital rehearsal on Saturday June 7th. Dancers may wear their recital shirts during the FINALE of our show. **This is required for all Elite Company Members.**

If your dancer has any remaining fundraiser credit on their account, a gift card will be sent from DRT for the available amount. This gift card can be used towards your purchase on the recital ticket site. Any unused amount of the gift card will be placed back in your dancers Studio-Pro portal for future use.

We highly recommend that you print your tickets so you can easily display them to enter the auditorium on recital day.

You may also save the tickets to your phone but please be aware that any connectivity issues may result in you being unable to display them properly.
