and event information.

Happy December and January birthdays!

Pictured at the dinner, left to right: Lou Read, Charlotte Baham, Connie Murphy, Helen Banquer, Antoinette Moriarty, and Al Miller.

A NOTE ON THE UPCOMING SHOW & TELL PROGRAM.....

January's show & tell will be on glass that changes color. Members are invited to bring any glass from their collections that change color when under black or fluorescent light. Examples are jadeite pieces that turn a brighter green, custard glass that turns yellow or green, vaseline glass that turns yellow, and some orange and red glass glows under certain kinds of light. So bring a black light if you've got one and let's see some cool glass!
