

## FALL 2025 FINANCIAL POLICIES AND PAYMENT INFO

**Tuition fees** are based on a yearly payment of 36 weekly classes divided into 10 monthly installments. The tuition fee due remains steady no matter the total number of classes per month. Many classes will actually receive MORE than 36 classes. Holidays taken by the studio are not made up, but emergency cancelations are. Individual class makeups for absences are permitted in classes with space remaining with approval from the studio.

**Sibling discount:** class rate is determined by family class totals. Since a sibling discount is offered, we do not offer a military discount.

**Registration fee:** a \$25 lifetime registration fee is due for all new students; a \$15 registration fee is due for all siblings

All class spaces are first come, first served. September tuition and registration fees are due upon registration. Registrations without full payment for September will be added to the waitlist for classes.

All registration fees, tuition, costume payments, recital fees, tights fees, and competition fees are non-refundable and non-transferable. Withdrawal from monthly classes requires a 30-day written notice and payment for the next month's tuition. Withdrawal from the competition team follows the policies as described in the competition team contract.

Payments can be deposited in the studio's 24-hour lockbox located to the left of the front door (between the bushes; marked "101"). During the school year, parents are welcome to pay by cash or check in the studio during office hours. Bank drafts can be sent to:
