

Breckinridge County Public Library News and Events

AARP Foundation Tax-Aide

A group of volunteers with AARP Tax-Aide will be at the main library to help you with your taxes. AARP Foundation Tax-Aide provides their volunteers with training and IRS certification. They are going to be at the main library from 9:00am – 1:30pm every Wednesday starting February 7th until April 11th.

There are just a few friendly reminders that we would like to mention for everyone visiting the library to keep in mind.

- Please no food or drink around the computers.
- If you are going to use your cell phone please do so quietly and be courteous to others around you. Also if you are going to the foyer to talk, remember it is open and you will be heard loud and clear throughout the library.

We have some fun programs this month for both children and adults. One program that we are going to try for adults this month is Valentine's Day Bingo Game Night. It will be on Tuesday February 13th and start at 5:00pm. On Wednesday February 7th we will have our second Milk and Cookies Club from 3:30pm – 4:30pm. This is a program for children of all ages to come to the library and enjoy reading and talking about different books. Also we will get to enjoy milk and cookies each meeting. We will also be trying a new cookie each meeting!

- * Two new online resources that we will have on our website is Ancestry and Newsbank. Ancestry is an online database where you can look up your family history. Newsbank is a database where you can search newspapers all over the world and even archived newspapers. We will have more about both data bases in our March newsletter.
