

No One is Unlovable!

*“God demonstrates His love in all ways”
(James 1:17-18).*

Today is day to spread encouragement every where you go. As you encourage others, you yourself will be encourage. What am I saying? Evidence of **God's love** is all around you and today He is asking you to show others and watch what He does in you as you do it.

Be encouraged today and encourage others with the truth. “The liberal soul shall be made fat: and he that watereth shall be watered also himself” (Proverbs 11:25). Of course, we don't encourage others to get something in return, but it happens because the Word says so!

The Bible tells us that **"God is Love"** (1 John 4:8). God pursues each one (saved and unsaved) with His relentless **love**. He loves people passionately and loves to spend time with them. **His love** is always reliable! **His love** never fades! **His love** looks out for the best interest of those who turn to Him. If you just share those few things with someone, it will impact their heart!

Paul writes in Ephesians 3:18-19, “to be able to comprehend with all the saints what is the breadth and length and height and depth, and **to know the love** of Christ which surpasses knowledge” because some were unclear in their experience of this love of God in Christ.

God's love changes lives. **His love** changed you, **His love** changed me, and **His love** changes all who hear of His deep abiding love towards them. He intentionally and actively gives “good gifts” to you, to me and those He loves. He wants to give the best to His children (James 1:17-18). There are many around you who are unclear of **His unfailing love** towards them. Our Heavenly **Father longs to love them**. We can encourage others today that God is loving and that nothing will be able to separate them from the love of God, which is in Christ Jesus our Lord.

Please, take time to today encourage others when to trust Him with all their heart. Encourage them with the truth that you personally can say, He is good and He will never fail them because He is good to you, and has never failed you (Psalm 119:142;Philippians 2:13).

God is Love, and **His love** is very different from human love. **God's love** is forever unconditional. He created you all to have a loving relationship with Him, and He sacrificed His own Son (who also willingly died for each one) to restore relationship in Him.

Lets all agree in prayer and pray for those around us that God would open our eyes more to the wonder of His love and that we will convey **His love** to lost and dying around us.

Have a fabulous day filled with His love!
