MAX-Blue High Concentrate Windshield Wash is a non-alcohol/non-solvent windshield wiper concentrate that you use at dilutions up to 1000:1. Add 8 ounces to a 55-gallon drum for ready-to-use wiper fluid. It has excellent surface wetting ingredients and very clear blue that your customers expect. When used as directed, will not dye paint or vinyl on cars and trucks. Cost to your customer is less than \$0.02 a gallon. Use freeze protectant of choice for cold weather protection (See dilution rates below).

Applications & Uses	Dilutions	Directions
