# ABOUT US

For more than 20 years, the team at Future Industrial has been providing top-quality maintenance and janitorial products to the Industrial Manufacturing and Maintenance Industry. Future Industrial's emphasis on continuous improvement and use of cutting-edge technology ensures you will receive the highest quality products. Future Industrial's manufacturing, fully stocked warehouse and shipping department are all located within one location to assure the highest purity of product as well as prompt shipment of orders. Future Industrial offers many benefits by supplying your company. We offer:

- High Quality Environmentally Safe Products
- Consistent Product Performance
- OSHA Compliance
- Certified Green Seal Products
- Fast, Professionally Packaged Deliveries for both small and large orders
- Support Material for Product use
- Regulatory and Compliance Staff
- Research and Development Department
- Friendly, Supportive Customer Service Department waiting to help you

In addition to manufacturing some of the most advanced chemicals on the market, Future Industrial has partnered with various product lines and manufacturers in order to complete our product range, taking the best products with the best proven performance so we may better serve our clients with the ease of one contract. This enables Future Industrial to offer competitive products and compatibility in difficult situations where other companies fail. We will strive to find the right result for any and all of your industrial maintenance supply needs.

## QUALITY MANUFACTURING COUPLED WITH CONTEMPORARY SCIENCE TO PROVIDE THE MOST INNOVATIVE AND EFFECTIVE CHEMICALS TO MEET YOUR CHALLENGES.

QUALITY IN A SERVICE OR PRODUCT IS NOT WHAT YOU PUT INTO IT.  
IT IS WHAT THE CLIENT OR CUSTOMER GETS OUT OF IT. OUR  
FRIENDLY REPRESENTATIVES ARE HAPPY TO SPEAK WITH YOU  
MONDAY - FRIDAY 9-4PM AT (866) 929-1855. PLEASE ASK TO SPEAK

# JANITORIAL AEROSOLS

## GC-AIR

## AIR FRESHENERS

Hand Held

Fragrances include: Apple, Clean Linen, Mulberry, Neutral Air, Pina Colada

## GC-TIME

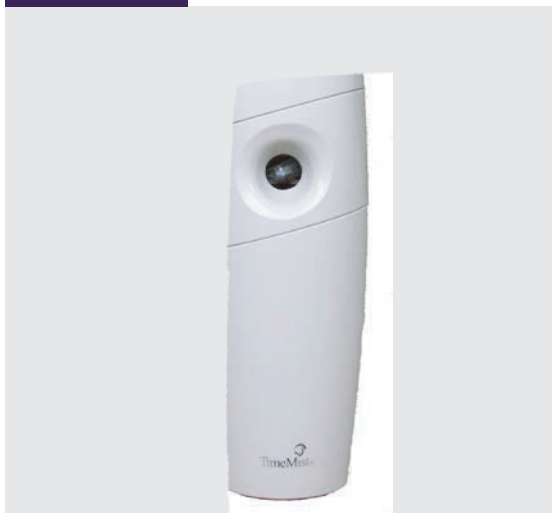

## TIME RELEASE AIR FRESHENERS

Subtly Releases Fragrances

Fragrances include: Vanilla Bean, Citrus, Lemon-Lime, Spring Lilac, Clean Linen, Cucumber Melon, Dutch Apple, Mango

Dispenser sold separately.

## GC-TIMEDISP

## TIME RELEASE DISPENSER

Customizable Intervals

The slim-line cabinet, deluxe model LED air freshener dispenser automatically dispenses metered air fresheners 24 hours a day. Programming options control the spray frequency (7.5, 15 or 30 minutes), refill can selection (30-day or 60-day cans) and allows the user to select whether the unit operates in darkened or lighted conditions.

## JANITORIAL AEROSOLS

### GC-CRAWL

### CRAWLING INSECT KILLER

Cupcake Fragrance

Non-flammable, virtually odorless combination of high power solvents and insecticides blended to penetrate the insect's exoskeleton providing quick knockdown and killing action. Residual killing action lasts for up to four weeks. Unique pencil-thin spray aids in treating around window frames, doors, cracks, crevices and in other hard-to-reach areas. (EPA Registered)

### GC-FOAM

### GERMICIDAL FOAMEE CLEANER

EPA Registered

Quaternary ammonia compound-based foam cleaner that disinfects and deodorizes as it cleans away and inhibits mold, fungus, and mildew growth. Kills Staph, Salmonella, Pseudomonas and Herpes Simplex Virus types 1 and 2. Lemon scented. (EPA Registered)

### GC-GLASS

### GLASS CLEANER

Streak-Free

Light, ammonia-free foam cleaner quickly cuts through and removes dirt, grime, grease and insect residue from glass. Leaves no haze. Dries streak-free. Use on windows, mirrors, showcases, glass table tops and glass fixtures.

# CLEANERS & DEGREASERS

GC-24QTHD

## GREEN BITE

Green Certified & Food Grade

A green cleaner that will take a real bite out of grease, oil and grime. This product is also safe for use on food contact surfaces according to the USDA and U.S. EPA regulations. Safe and powerful cleaning action that removes grease, oil and heavy soiling from hard surfaces.

GC-ECOGLOSS

## GLASS & WINDOW CLEANER

Green & Safe

A safe, vinegar enhanced, ammonia free, versatile cleaner that maximizes the removal of grease, finger smears, smoke film, water spots and oils soils from glass, mirrors, and other non-porous surfaces with minimum effort. No rinsing necessary for a clean, non-streak, film-free and sparkling finish.

GC-BIO

## ONE SHOT BIO-DRAIN

A Safe Drain Cleaner

A natural and harmless bacterial product to keep drains deodorized and free flow - ing. May be used in a wide range of facilities including but not limited to industrial maintenance, food service, processing plants, restroom and kitchen areas, septic tanks and organic grease traps. For use in areas where corrosive, caustic or acidic products would pose a hazard to the public.

## CLEANERS & DEGREASERS

CG-LIQUID

### ORANGE AWAY NEUTRAL DISINFECTANT

Neutral Ph

Cleaner-Disinfectant-Deodorizer-Detergent Phosphate-free, PH neutral formulation designed to provide effective cleaning, deodorizing, and disinfection for hospitals, nursing homes, schools, food processing plants, food service establishments, transportation terminals, office buildings, manufacturing facilities, lodging establishments, retail business, athletic facilities, sports stadiums, amphitheaters and convention centers where house keeping is prime importance in controlling cross-contamination. For use in federally inspected meat and poultry plants. Formulated to disinfect hard, non-porous, surfaces: floors, walls, metal surfaces, stainless steel, porcelain, ceramic tile, plastic surfaces, vanity tops, shower stalls, bathtubs and cabinets.

GC-GRAFFITI

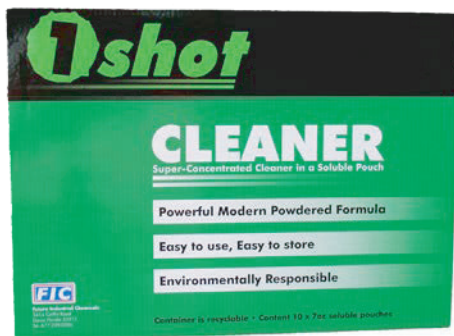

### GRAFFITI & INK REMOVER

Safer and Superior

A unique development in the ongoing struggle to remove paint, ink, permanent marker and unwanted graffiti from a variety of surfaces. A patented formula with the EPA seal (Design for the Environment)

GC-24QTGP

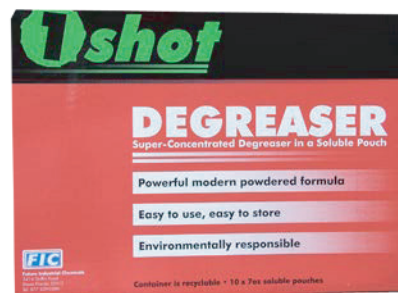

### ONE SHOT CLEANER

Amazing All Purpose Cleaner

Safe for plastic, rubber, walls, floors, metal, leather, formica, painted surfaces, and wallpaper.

GC-24QTHD

### ONE SHOT DEGREASER

A Heavy Duty Degreaser

For use in sinks, ovens, air filters, walls, floors, buses, trucks, airplanes, and drill presses. Removes heavy grease, oil, solid and liquid deposits. Non-flammable and non-toxic. Does not contain naphtha, chlorinated salts, or benzene.

# LUBRICANTS

## GC-PENE

## PENETRATING OIL

Fast Acting

A spray on and set formula which is fast acting and penetrates, working within seconds of application to loosen rust or corrosion, making it easy to separate the surfaces. For use on refrigeration equipment, automobiles, workshops. Frees rusted and corroded bolts and screws. Heavy duty formulation lubricates locks, hinges, moving parts. Stops and retards corrosion. Stops corrosion on battery terminals.

## GC-SILICON

## SILICONE SPRAY

Non-Residue

Stops sticking drawers, windows, doors, screens, zippers, locks, ect. Eliminates annoying squeaks in hinges, latches, ect. Retards corrosion, protects, battery terminals, tools, guns, skates, aluminum window, and doors. Helps prevent grass, dirt and mud from sticking to lawnmowers and snow from sticking to snow shovels. Dries fast, leaves no greasy or oily film, and is not affected by water, oil, or solvents. Heat stable - will not freeze or melt.

## GC-WHITE

## WHITE LITHIUM GREASE

Rust Resistant

For the AUTOMOTIVE INDUSTRY: (accelerator linkage, bearings, brake service linkage, ash tray slides, radio antenna, cams, gears, hinges, hard locks, door locks, springs, striker plates, window regulators, all body hardware. MARINE: Excellent for general marine use because of high resistance to rusting and corrosive action. INDUSTRIAL: Cams and slides, chains, couplings, plain bearings, open gears, (small) fork lift truck masts. HOME & OFFICE: uses include wherever metal meets metal, windows, garage doors, hinges, faucets, lawn mowers, bicycles, toys, garden and household tools, fishing reels, guns, filing cabinets, office equipment, etc.

# LUBRICANTS

GC-RED

## RED GREASE

High Temps

- 550+ Dropping Point, Non-Melt Grease
- 65 Timken Ok Load
- Good Resistance To Environmental Conditions
- Adhesive & Cohesive Properties

This product is an all purpose non-melt grease especially formulated with extreme pressure and anti-wear additives to provide heavy duty service. It's one of the very few greases able to withstand heavy shock load and impact pressures of 65 Timken load capabilities. This product has excellent adhesive and cohesive properties. It resists most acids, weather, dirt, salts, spray, steam, and oxidation. Our product protects equipment indoors and outdoors even under high temperatures and heavy loads.

GC-SILIFO

## SILICONE LUBRICANT

Great For Food Facilities

NSF certified for use as a lubricant where incidental food contact may occur. High viscosity, ultra pure, lubricating film for use on food processing and packaging equipment. Leaves a waterproof, dry, non-staining, clear film, Heat stable from -40°F - +280°F. Contains no chlorinated solvents. For use in heat sealing equipment, conveyors, ovens, slicers, and scrambler tables.

GC-PENEFO

## FOOD EQUIPMENT OIL

Food Grade Penetrating Oil

Super pure, food grade oil. Lubricates rings, slides, pistons, seals, and other food equipment parts that may have incidental food contact. Provides a thin, water-resistant film. Contains no silicones or solvents - only food grade ingredients. NSF Certified

# HANDCLEANERS

## GC-HANDWI

### INDUSTRIAL HAND-WIPES

#### Multipurpose Hand Cleaning Towels

Citrus scented high powered versatile cleaner industrial strength, yet gentle to skin. No rinsing, no drying, no residue. For use on hands, tools, machinery equipment and more.

\* Textured scrub wipes also available

## GC-POWER

### ORANGE PUMICE HAND-CLEANER

#### Natural Citrus Hand-Cleaner with Pumice Cleaning Action

A special formulation with natural citrus and synthetic detergents emulsifiers, water miscible penetrants designed to quickly remove: Carbon black, tar, oil, grease, putty, asphalt, grime, gum, resins, glue, ink, paint, lipstick, rubber cement.

## GC-SWIPERS

### SWIPERS

#### Hand Sanitizing Wipes

A powerful germ killing wipe effective against the spread of colds and flu. Kills 99% of bacteria. Fresh wintergreen fragrance. Although designed for the hands, may be used to clean surfaces such as desks, phones, handles, etc.

## GC-GEL

### SANI-GEL

#### Instant Hand Sanitizer

Designed to reduce health hazards due to unsanitary work environments. This handy product is quick and easy to use and leaves absolutely no fragrance or residue on hands or skin. Use before eating lunch or after work to prevent sickness resulting from unsanitary work environments.

## GC-ALMOND

### ALMOND PEARL

#### Lotionized Hand Soap

A mild, delicate, pearlized, liquid hand soap that leaves your hands clean, soft and subtly scented with a note of fresh almonds.

# ABSORBENTS & ICE MELT

GC-ICE

## ICE-MELT

Specially formulated in the U.K.

FIRST, A TRACTION ENHANCER PROVIDES INSTANT GRIP FOR VEHICLES AND PEDESTRIANS. ONCE THE ICY WEATHER HAS PASSED THIS COMPONENT WILL POWDER AND WASH AWAY UNLIKE GRIT WHICH HAS TO BE SWEEPED UP.

Rapidly melts ice and snow, lessens ice and snow build-up and helps reduce re-freezing. Much more effective than conventional rock salt and is pure white so does not cause staining on the ground or when walked into buildings.

Triple Action Ice Melt is much more effective than simple rock salt down to -4 degrees F and, unlike grit, powders away once the icy conditions have passed. Triple Action Ice Melt is safe to use and is not classified as a hazardous product. Three chemical systems are built into the formula.

Triple Action can be pre-applied before ice or snowy weather to prevent ice or snow conditions form on the ground.

THE SECOND SYSTEM IS A DE-ICING ACCELERATOR WHICH SPEEDS THE MELTING OF THE ICE WHICH IT COMES INTO CONTACT WITH.

The Third System is a Freeze Retardant Material Which Allows the Melted Water to Run Away Before Slowly Dissolving and Stopping Refreezing from Taking Place for Hours.

# » ABSORBENTS & ICE MELT

## GC-PADS

## ABSORBENT MATS

### Universal

Bonded pads are reinforced with cover stock for extra durability to handle both aggressive and non-aggressive leaks and spills. Strong bonded layers allow fluid to spread through the material quicker for the best absorption rate. Can be used on all liquids including acids and bases and unknown liquids.

## GC-ROLLS

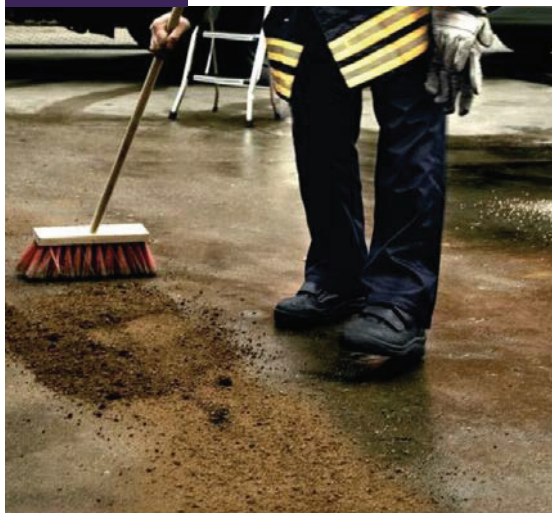

## ABSORBENT ROLLS

### Variety of Sizes

Socks can be used to contain fluid leaks and prevent spills from spreading on the floor. They conform to fit snugly in tight spaces and around corners. Socks will absorb up to 1 quart of fluid per 12 inches of product. They are available in various lengths and are offered with recycled cellulose.

A de-icing accelerator which speeds the melting of the ice which it comes into contact with it.

## GC-DISC-01

## OIL ABSORBENT GRANULES

### Easy Pick-Up

An all-purpose absorbent designed for quick clean up of water, oil, and grease and made from Montmorillonite Clay, a naturally occurring mineral with superior absorptive ability. Used effectively for: oil spills, industrial chemicals, paint spills, garages, controlling odor.

# INDUSTRIAL AEROSOLS

## GC-BRAKE

## BRAKE AND PARTS CLEANER

### Non-Chlorinated

A heavy duty, non-chlorinated formula that removes brake fluid, grease, oil, dust, and operating erosion from brake parts, pads, disc, linings, and drums. Dries fast, residue free. Safe on most automotive plastic surfaces. Will not foul waste oil.

## GC-COIL

## COIL CLEANER

### Foaming Action

Portable, non-acid, foam cleaner that blasts deep into air conditioner, heater, refrigeration, and dryer coils to loosen and remove grease, dirt, lint, and grime. Contains bio-enzymes for continuous cleaning and breakdown of organic coil contaminants. Helps maintain clean drip pans and drain lines. Non-rinsing formula helps maintain optimum unit efficiency. Disperses clean fragrance throughout room.

# INDUSTRIAL AEROSOLS

## GC-CITRI

## ORANGE AWAY CITRI SOLVENT

Citrus Based

A high-powered, citrus degreaser in a spray top aerosol-type can. An all natural formula that is safe and effective without toxic fumes, non-acid, non-caustic, and non-corrosive. Flush action, biodegradable solvent that quickly cuts through grease, oil, tar and many other soils. Treated surfaces can be wiped clean or flushed off with water. Eliminates harsh solvent vapors. Controls odors as it dissolves grease and grime.

## GC-CONT

## CONTACT CLEANER

Electrical Cleaner

A high dielectric, high purity, rapidly evaporating, non-flammable aerosol spray contact and circuit board cleaner. Specially formulated for removing oil, grease, condensation, dust, and other particulate matter from sensitive electronic parts. Quick drying formula will not harm most plastics, paints, or rubber. Includes extension tubes for easier application to remote areas. NSF Certified.

## JANITORIAL NON-AEROSOLS

### GC-GEL

### SANI-GEL

EPA Registered

Designed to reduce health hazards due to unsanitary work environments. This handy product is quick and easy to use and leaves absolutely no fragrance or residue on hands or skin. Use before eating lunch or after work to prevent sickness resulting from unsanitary work environments.

### GC-ALMOND

### ALMOND PEARL

Lotionized Hand Soap

A mild, delicate, pearllized, liquid hand soap that leaves your hands clean, soft and subtly scented with a note of fresh almonds.

### GC-GRAFFITI

### GRAFFITI + INK REMOVER (CLEANER)

Green Certified

A unique development in the ongoing struggle to remove paint, ink, permanent marker and unwanted graffiti from a variety of surfaces. A patented formula with the EPA seal (Design for the Environment)

# JANITORIAL NON-AEROSOLS

## GC-LIQUID

## NEUTRAL DISINFECTANT CLEANER

### Neutral Ph

Cleaner-Disinfectant-Deodorizer-Detergent Phosphate-free, PH neutral formulation designed to provide effective cleaning, deodorizing, and disinfection for hospitals, nursing homes, schools, food processing plants, food service establishments, transportation terminals, office buildings, manufacturing facilities, lodging establishments, retail business, athletic facilities, sports stadiums, amphitheaters and convention centers where house keeping is prime importance in controlling cross-contamination. For use in federally inspected meat and poultry plants. Formulated to disinfect hard, non-porous, inanimate surfaces: floors, walls, metal surfaces, stainless steel, porcelain, ceramic tile, plastic surfaces, vanity tops, shower stalls, bathtubs and cabinets. For larger areas such as operating rooms, patient care facilities and restrooms this product is designed to provide both general cleaning and disinfecting.

## GC-24QTHD

## ONE SHOT BIO-DRAIN

### A Safe Drain Cleaner

A natural and harmless bacterial product to keep drains deodorized and free flowing. May be used in a wide range of facilities including but not limited to industrial maintenance, food service, processing plants, restroom and kitchen areas, septic tanks and organic grease traps. For use in areas where corrosive, caustic or acidic products would pose a hazard to the public.

## GC-BITE

## GREEN BITE

### Green Certified & Food Grade

A green cleaner that will take a real bite out of grease, oil and grime. This product is also safe for use on food contact surfaces according to the USDA and U.S. EPA regulations. Safe and powerful cleaning action that removes grease, oil and heavy soiling from hard surfaces.

## JANITORIAL WIPES

FXTHG

### TS GRAFFITI WIPES

Provides fast, easy cleanup of paint from nonporous surfaces

These amazing wipes are pre-moistened with an incredible cleaning formula that removes paints including enamel, ink and even permanent marker. A few swipes with a single wipe quickly dissolves away unwanted paint and graffiti. Graffiti Wipes do not contain amyl acetate or methylene chloride, unlike other graffiti removers, making these towels less hazardous for users as well as surfaces. Wipes are purple and measure 9.5" x 12" with a mild odor fragrance. For use on; various surfaces in cluding bathroom partitions, aluminum siding, desks, phone booths, road signs, wall tile, lamp posts, stainless steel, trains, bus stops and seats, billboards and lockers. Effective against paint, ink, enamel and permanent marker.

FXTHG

### TS HAND SANITIZING WIPES

Six Canister Case

Hand Sanitizing Wipes kill 99.9% of germs in seconds. The 70% alcohol formula moisturizes with Aloe and Vitamin E, and has a pleasant wintergreen fragrance. Using hand sanitizing wipes helps clean and remove soils from skin compared to liquid sanitizers.

Use anywhere:

- Medical offices
- Health clubs
- Hotels
- Schools
- Day care centers
- Correctional facilities
- Nursing homes

Features & Benefits:

- Kills 99.9% of the harmful germs and bacteria on your hands
- Special formula cleans and sanitizes
- Use and dispose of wipe to prevent cross-contamination
- Convenient and easy to use
- Recommended for repeated use

FXTHG

### TS FLY AWAY WIPES

Fly Away Wipes provide up to 4 hours of protection from mosquitoes, black flies, stable flies, sand flies, gnats, chiggers, fleas, and ticks. These convenient, easy to use wipes allow for quick and thorough application to skin, hair, and clothing to ensure maximum protection.

Effective Against:

- Black flies
- Chiggers
- Fleas
- Gnats
- Mosquitoes
- Sand flies
- Stable flies
- Ticks

Features & Benefits:

- Water-Based Insect Repellent Formula
- Non-VOC Formula
- No Strong/Offensive Odor
- Leaves No Sticky Residue

# JANITORIAL WIPES

FXTHG

## TS MULTI-PURPOSE HAND SCRUBS

Industrial Degreaser

TS Multi Purpose Hand Towel Wipes are designed for use in industrial and manufacturing settings and is the ideal choice for removing grease from hands, tools, and work surfaces. Each towel is pre-moistened with a powerful cleaning formula capable of cleaning hard working hands as well as nonporous surfaces. Each towel is made from an abrasive, yet non-scratching fabric that helps lift away heavy deposits of grime and dirt. These towels also leave behind a fresh citrus scent and are enhanced with natural oils and emollients making them safe for hands and skin. Towel is purple and measures 9.5" x 12" with a citrus fragrance.

GC-SURFACEWI

## SURFACE SANITIZING WIPES

Kills Germs

Antibacterial formula sanitizes food and non-food contact surfaces. This product is a non-woven, disposable wipe, pre-saturated with a versatile broad-spectrum sanitizer for homes, institutional and industrial use. For sanitizing, apply to a pre-cleaned surface.

GC-SWIPERS

## SWIPERS

Hand Sanitizing Wipes

A powerful germ killing wipe effective against the spread of colds and flu. Kills 99% of bacteria. Fresh wintergreen fragrance. Although designed for the hands, may be used to clean surfaces such as desks, phones, handles, etc.

# JANITORIAL WIPES

## GC-GRAFFIT

### GRAFFITI WIPES

Tough on Graffiti

Graffiti-Wipe is the latest innovation in combating graffiti and adhesive clean up. Powerful cleaning formula removes most paints, including enamel. Does not contain amyl acetate or methylene chloride making towels safer to handle. Nontoxic, non-flammable and non-hazardous formula. Abrasive yet non-scratching fabric aids in cleaning. Towels stay moist to provide greater usage and longer shelf life.

## GC-HANDWI

### INDUSTRIAL HAND-WIPES

Multipurpose Hand Cleaning Towels

Citrus scented high powered versatile cleaner industrial strength, yet gentle to skin. No rinsing, no drying, no residue. For use on hands, tools, machinery equipment and more.

Textured scrub wipes also available.
