

Community Service

September 2023

“The greatness of a community is most accurately measured by the compassionate actions of its members.”

Coretta Scott King

Greetings ALA members of Arizona,

September has many opportunities for community service. There are many activities that can be done for Labor Day. Have a drive for school supplies for your local school. It doesn't need to occur only when school starts. As a teacher, supplies are in demand all year.

September 11th (Patriot Day) is 9/11 Remembrance. Talk with community members and plan an activity, do something within your American Legion, or go to schools and have a discussion with students about the importance of this holiday.

Have a wonderful fall season.
