

WESTIN

Sure-Grip Running Boards

Westin Sure-Grip Running Boards are straight step style designs that are available in six universal lengths (54", 69", 72", 79", 85", 93") and feature a cradle mounting technique. Universal running boards require a 27-series vehicle specific Mounting Kit, sold separately.

Sure-Grip Running Boards are made of an extruded aluminum base board and feature a slip resistant rubber step area, and stylized molded end-caps for a finished look.

Features

- Extruded aluminum
- Slip resistant rubber step area
- Molded end-caps
- Cradle mounted boards
- **Mount kit required**
