**April Reflection**

***1 Corinthians 12:12-13 "For just as the body is one and has many members, and all the members of the body, though many, are one body, so it is with Christ. For in the one Spirit we were all baptized into one body Jews or Greeks, slaves or free, and we were all made to drink of one Spirit."***

November 8<sup>th</sup> 2015 and June 24<sup>th</sup> 2018 are two of the proudest days of my life. On those days, my children, Elijah and Ella, were baptized. Those were special days; both my father and grandfather played a part in their baptisms. And it is somewhat hard to express just what those moments meant to me. On both those days my children were wiggling babies, didn't want any water on their heads, cried for the whole time they were shown around the church, yet the moment of their baptisms were so profound, so holy, it's hard to find words to describe it. I just couldn't stop beaming.

Now each year on November 8<sup>th</sup> and June 24<sup>th</sup>, my kids are given the opportunity to remember their baptisms. What we do is we light a candle, typically let the kids buy a cupcake and we talk about what it means that they were baptized. We read through the letters that people sent them on their baptism date, and they lead the remembrance of baptism, complete with them making the sign of the cross on everyone's head including the dog. Every year as we sit and we talk about that day, I hear the echo of words that were spoken at their baptisms, as many folks came hugged and loved on those little babies and said, "welcome to the family."

Welcome to the family! What a blessing it is, to be a part of a family. To be a part of a family, means that you always have someone there for you, you always have someone who has got your back. It means that there are folks who you know if you called them would drop everything to come help you. In the family of God it is baptism that initiates us into this new relationship that invites us to be a part of the family.

It is an amazing thing to get to be a part of the family of God. I have been blessed to have grown up in churches throughout the entirety of my life. The family of God has loved me, the family of God has reprimanded me, and yet through it all the family of God has nurtured me.

I love what Paul says to the Corinthian church, remember this is a church that has more problems than it does people. Paul says "You are the body of Christ, and even though you have many members, you are one body." In other words Paul says to the church, "You are family, so yeah you might fuss and you might fight, but at the end of the day when your back is against the wall, know that you will always have your family with you." This is what it means to be a part of the church, the ecclesia, the body of Christ, it means that we are family, and we are to be there for one another.

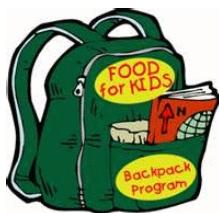

I know if you have been a part of this church for a while you know what it means to be a part of the family. You have known that you could open up the directory and call for help whenever you needed it. You have been that person for someone else, someone has called you in a moment of crisis and you have been there to offer help.

Coming up on April 4<sup>th</sup> and April 18<sup>th</sup> our family is going to get a little bit bigger. On April 4<sup>th</sup> we will have some of the finest young adults you have ever met join our church family after completing confirmation. On April 18<sup>th</sup> we will have a New Member Sunday, in which anyone who wishes to join our church is invited to do so. As of writing this, we will have ten new members joining, so if you would like to become officially part of the family of First UMC, we would love to have you. Our mission here is simple. We strive to make disciples of Jesus Christ for the transformation of the world. We aim to be the body of Christ that welcomes all, and we want you to know that we want you to be a part of our family.

Grace and Peace,

Zack Christy

### KINGDOM KIDS KORNER

It is hard to believe that we have only April and May left in this school year! Time seems to have flown. We are so filled with thankfulness that we were able to have this school year while so many children across the country have not been able to do so. Thank you FUMC for all your efforts in making this year possible for Kingdom Kids!

March was a busy month - we celebrated Dr. Seuss week and St. Patrick's Day, as well as a number of birthdays. We received our graduation caps and gowns (so exciting)! The children have really enjoyed finally being back on the playground.

We will be having spring and graduation photos taken soon. We will be learning about the true meaning of Easter, and will enjoy Easter parties and egg hunts.

There will be even more emphasis during April and May to assure that all students are prepared for the next step in their school journey.

We truly appreciate all the support and encouragement we have received from so many people.

Ms. Millie

We will adorn the Easter Cross again this year with flowers on Easter Sunday, April 4th prior to Worship. As you enter the church for Worship, the cross will be located in the Narthex for placing your flowers. We will also have time at the end of the service to place flowers if the cross is moved to the front of the church when you arrive.
