President's Message

Happy New Year!

I hope that each of you had a very Merry Christmas and Happy New Year with family and friends, and that you were able to relax some if you had time off from work. Also, let's hope that you didn't make Santa's naughty list.

The weather did not cooperate during the holidays and it was cold and rainy on a lot of the days. It seems that being indoors was the best place to be.

Here we are at the middle of January already. The car show will sneak up on us

before we know it. We need to start our conversation regarding the car show. If any of you have any ideas that can help make our show better, please share them at our meeting this month. The car show committee will be meeting soon to start our plans, so it would be good to have some new ideas.

The officers will take over their duties this month, and I look forward to working with them as we move forward.

If you look at the upcoming meeting dates below, you will notice that we are not going

to have a meeting in April, but have 2 meetings in May. With the car show on May 4, we felt that we needed to meet on that Thursday before the show to finalize plans for the show.

Congratulations Tony & Chery Scott for being named the Outstanding Members for 2018. Well deserved.

The meeting this month will be held at Buck Short BBQ in Van Alstyne on Thursday, January 24, 2019 at 6:30pm.

See ya there.

Robert
