Things to know for evaluations:

- If your child is associated with multiple age groups, please have them attend all evaluation times associated with their birth years.
- There will be no spotting on any tumbling or tricking skills.
- Your child's age group that they are evaluated with does not guarantee that age group for team placements. It is NORMAL for there to be overlap throughout age groups and the coaching staff will make placements where they see fit for success and according to the age grids that must be followed.
- Team placement emails will include summer practice schedules & mandatory team parent meeting information.
- Raider Xtreme's goal is to create well-rounded athletes that are successful in their level versus being good at one thing specifically in a higher level. Team placements will be based off of the core values of the USASF rules & All-Star Scoring Systems for both cheer & hip-hop.
- Creating teams is supposed to be a fun and exciting time in preparation for the new year. We ask that all athletes and parents cooperate in a kind and proper manner before, during and after evaluations.
