Attention, calling all potential children's Sunday school teachers.

This will be our last year as lead Sunday school teachers (September 2024-May 2025). To ensure the future of children's Sunday school and a smooth transition, we would like some interested volunteers to assist this year. Come get acquainted with the youngest members of St. Paul's and see what Sunday School is all about. It's time for some fresh teachers with fresh ideas to shepherd the little ones.

Please let us know if you have any questions or are interested in helping with this vital ministry of the church.

UMD Volunteer Update

Amanda Anderson

There has been confusion and mishaps with the Urban Ministries volunteer shift so I'd like to clear things up. I know there have been issues with too many people showing up to volunteer and not enough work to do. I recently learned that before retiring the chef decided he didn't want volunteers to arrive until 12:15 pm. This decision wasn't communicated with or approved by the volunteer coordinator. Moving forward, we're back to the original time frame, 11:30-1:30 pm. We'll help with meal prep before serving lunch just as we did previously, however only four volunteers are needed. To accommodate our monthly Habitat for Humanity volunteer shift, I changed the UMD shift to the fourth Saturday of the month. This change goes into effect in September.

On the administrative side, [volunteers must sign up online to participate](#). That is the only way I can ensure we have the right number of volunteers. As always, please reach out to me with questions about the logistics of volunteering, andersona1129@gmail.com, and confirm your participation by signing up online vs emailing me. Many thanks to the congregation for supporting this critical community program!

Our Afghan family support team is so grateful for your generosity in providing diapers for the past several months. The 2 families have a good supply for the time being, so we will let you know when that changes.

We could use help with funding school supplies. Six of the children are already back in school at Hope Valley Elementary, which shifted to a year-round schedule this year. We purchased supplies for them but foresee more expenses ahead when the other 6 return to school (Githens Middle and Jordan High) at the end of August. As always, thank you for your generosity in sharing with these families.
