

ABEL

BUILDING SYSTEMS

CAPABILITY STATEMENT

WWW.ABELBUILDINGSYSTEMS.COM

COMPANY OVERVIEW

ABEL Building Systems was founded in 2000 by owners Eric and Marla Ruffin. Amongst the many company offerings, ABEL provided their clients with electrical services, control systems, surveillance, intercoms, fire alarms, and security systems. ABEL Building Systems has successfully planned, designed, integrated, and installed hundreds of security and safety solutions for various commercial clients. Our clients include schools, hospitals, large retail stores, and larger corporations and institutions.
