Other RC 7 News

Membership Committee from Margo Buckingham: Retiree Council 7 is an active vibrant group, so we want to be sure that new NYSUT retirees know about us and know why it is to their benefit to join us. To that end, the RC 7 Executive Board has formed a committee to develop a procedure for contacting people who have been NYSUT members while inservice and who are about to retire or are newly retired. The committee held its first meeting in May and has gotten a good start on accomplishing our mission. Thanks to Beth Butera, Mel Mariani, Maureen Miller, Pauline Peters, and Karen Picco for their work so far and work to come. By-Laws Updates: The RC 7 Executive Board presented suggested updates to the By-Laws at the April and May meetings. The revisions were approved in May. Membership reminders from Candace Johnson: Over two days this spring, volunteers met to send out reminders to RC 7 members who have not yet sent in their voluntary participation fees. Thanks to Mike Kester, Bruce Schauer, Ann Lamprey, Kay Murphy, and Gail Ferron who completed 768 cards.

The NYSUT Retiree Services Program, part of Program Services, was established by NYSUT to help its retirees organize and to act as a service provider for those retiree groups. https://www.nysut.org/members/retirees

Updates from the Spring ED 51 meeting...

At the end of March, the ED 51 Annual Meeting was held in Utica. NYSUT's constitution creates three Election Districts to represent Retirees. ED 51 is made up of one third of all NYSUT Retirees including RC 7 and the various RCs in the upstate geographical area from Buffalo to the Mid-Hudson Region. ED 52 represents Long Island and Higher Ed members and members who have moved to Florida; ED 53 represents the Retirees from New York City. Each ED has a director who serves on the NYSUT Board. I am the ED 51 Director and attend Board meetings several times a year taking upstate concerns to that policy making meeting. At our ED 51 meeting, RC

Presidents and delegates to the Representative Assembly reviewed the proposed resolutions which they will vote on at the RA (which was held in late April) and thus would become the goals and policies of the organization.

Resolution 33 is one which I feel is overdue. It asked for NYSUT to seek and increase the amount of your pension that will be used to calculate your COLA. It has been some 20 years since NYSUT gained a retirement COLA to help keep up with inflation, but an increase is needed to help all of us on fixed incomes maintain a dignified retirement. Other proposed resolutions requested better representation for retirees, as well as legislation, organization, social justice and in-service educational issues.

Then President Andy Pallotta, and Melinda Person, then Executive Director who is now President, opened the ED 51 meeting with their thoughts on the future of the union. They outlined several key issues the union must tackle in the coming years. Fixing Tier 6 which produces such an unfair pension for its members, and funding Higher Ed which has been so under-funded recently were discussed at length. Other presenters were NYSUT Vice President Ron Gross, and Alliance for Retired Americans President Barry Kaufman, who explained how NYSARA's legislative proposals aim to strengthen retirements for all workers.

In addition, the Retiree Consultants presented a summary of all the ways their positions are designed to help Retiree Councils become successful with events, attracting new members, keeping everyone informed on state and nation issues which can have a profound effect on Social Security, medical insurance, and other senior issues. A Report from NYS Retirement System Trustee, Elizabeth Chetney, who is also the President of the Baldwinsville Teachers Union, reassured us that the system and our "salaries" in retirement are safe, making money on its investments, and able to fund monthly checks from now on.

And the NYSUT RA...

At the end of April, we also attended the NYSUT Representative Assembly held in Albany. The main focus of the RA is reviewing and accepting the resolutions that were submitted for consideration. These resolutions define the focus of NYSUT for the future. Resolutions that were not reviewed at RA will be reviewed by a committee and presented to Board of Directors in early June. All resolutions will be printed in NYSUT United. In addition, elections for NYSUT Officers and Board of Directors were held.

In other news...

The NYS Budget was passed which included increased money for schools and funding for Teacher Centers. Funding for Charter Schools remains a concerning item for us. "Fix Tier 6" will need the focus of ALL of us in the upcoming months. We will all need to do our part in this campaign to ensure that our in-service members in Tier 6, as well as other state workers in other public service positions, have a reasonable pension when they retire. To learn more, go to https://fixtier6.org/

And finally...

We will again be staffing a booth at the State Fair on Labor Day. If you are interested and able to work a shift at the NYSUT booth on Labor Day, please let us know. Call the Syracuse Regional Office and leave your name, address, phone number, and email address.

We all hope that you have a great summer, and we see you at the June meeting where we will recognize and celebrate our scholarship winners! See you soon...

SAVE THE DATE... Thursday, September 21, 2023 for the NYSUT Regional Conference for RC 7 & RC 8 to be held in East Syracuse. Invitation will be sent through US Mail to your address on file with NYSUT. Please update if necessary!
