

## . WOMEN'S MISSIONARY SOCIETY

The Addie G. Stroud Missionary Society promotes and coordinates most of the outreach projects for the church. Ongoing projects include serving lunch at the A.M.E. Shelter on three Saturdays and one Sunday each month, monthly food donations to the Catholic Outreach Parish Food Pantry, toiletries to the Women's Prison and Women's shelter, food for the HIV/AIDS quarterly food drive, monthly meals and assistance to the sick and shut-in, various projects for the homeless and the A.M.E. Shelter and much more. We also participate with other Societies on the other levels of the church: Area, Conference, District and Connection and overseas missions.
