Public Comment

One spoke on the need for the City to conduct its own research on the economic impact of the new NU stadium; NU has not released its report or data from its research.

For Action

Resolution 1-R-23 authorizing the acquisition of real property at 2404 Ridge Ave. through eminent domain. Cummings responded to the one question by stating that staff had exhausted all efforts to acquire the property amicably and the cost will be \$19,000, which is what the value of the property is estimated, plus court costs. Measured passed on a unanimous voice vote.
