

## Let's Play What If

Now, all you people.  
Come gather 'round  
I got a game  
I think that you might like to play.

It's not a new game.  
It's been around.  
In fact, I think that it has  
Always been played.

Lets' play what if you and me were lovers.  
Let's play what if the world would go sane.  
Let's play what if there were no others.  
What if "what if" was more than a game?

It's very hard to lose.  
But, it's easy to play.  
You don't have to follow through  
On what you say.  
But, if it came true,  
What would you do?  
Put up or shut up?  
Give up or live up to?

Lets' play what if you and me were lovers.  
Let's play what if the world would go sane.  
Let's play what if there were no others.  
What if "what if" was more than a game?

Now, what if you were the Queen of your country?  
And, I was just a poor boy living in your country?  
Would you give up all that you had?  
Like down through history?  
Would you do that for me?

Lets' play what if you and me were lovers.  
Let's play what if the world would go sane.  
Let's play what if there were no others.  
What if "what if" was more than a game?
