Bernese Mountain Dog Club of America Draft Test Purpose

The Bernese Mountain Dog Club of America Draft Tests are a series of exercises designed to develop and demonstrate the natural abilities of purebred Bernese Mountain Dogs in a working capacity involving hauling. The Bernese Mountain Dog has historically functioned as a draft dog in various capacities, and performance of these exercises is intended to demonstrate skills resulting from both inherent ability and training which are applicable to realistic work situations. Efficiency in accomplishment of tasks is essential. It is also desirable that the dog evidence willingness and enjoyment of his work in a combination of controlled teamwork with his handler and natural independence.

Judges

Karyn Beyer and Lori Kennedy

This Premium was published prior to DWC Review of Covid 19 Protocol. Restrictions are currently under review. If changes are made to the protocol the premium will be republished when this review is complete and approved.

Spectators

Due to COVID-19 procedures, we will be limiting spectators and un-entered people and dogs (must be leashed or crated and under control at all times). People traveling with you are welcome and must adhere to precautions as well as SIGN the COVID waiver last page of premium.

Covid-19 Protocol: Exercise Updates

- Basic Control – No change
- Recall – Handler keeps the leash with them and does not give it to the judge.
- Harness and Hitch – Judges will not touch the dog or harness. If the judge needs to see any part of the harness or hitch, the handler will make that possible.
- Load & Unload – A chair, small table or similar object will be provided to place the load on. The steward will approach once the handler has their mask on and stand near the load. The greeting will be verbal only. During the unload, the steward will still pat the dog, two pats is perfect. The handler can choose to wipe the dog's head if they wish. The club must provide a cleanable, impervious object for the load that can be picked up with one hand and easily be wiped down between handlers.
- Slow – No change.
- Group Stay – Keep a distance of at least 6 feet from other handlers – Masks shall be worn.
- Freight Haul - Keep a distance of at least 6 feet from other handlers – Masks shall be worn.
- Awards and Scoresheets - Ribbons/Trophies are to be available for the handlers to get them themselves. Scoresheets will be put into the Ziplock bag that was originally used for check-in. The Ziplock bag will be wiped down and returned to the original ringside cart location.

ADDITIONAL INFORMATION

- A temperature check may be done daily for all attendees.
- All persons at the test site must wear a mask at all times when within 6 feet of others.
- Handlers will need to be available when their equipment is being checked in: If weight(s) for the freight haul need to be weighed, the handler will be responsible for carrying the item(s) to the scale and back to the staging area. ii. Judges will not handle any harnesses or any part of the cart other than what is needed to measure the cart. If these items require inspection, the handler will need to be available to show the items.
- Handlers may go without a mask while maneuvering.
- Handlers must put a mask on before the Load and Unload steward approaches.
- Gate stewards will use appropriate wipes, gloves, etc. when bringing a cart into the ring.
- The movable object will be cleaned/disinfected/sanitized between teams. This will be further clarified in the briefing.
- A COVID-19 Waiver has been provided in this Premium List. The waiver will need to be signed and returned with the entry agreement in order to complete the entry.
- All individuals in attendance will be required to sign the COVID-19 Waiver form. Additional forms will be available at the test site.

Because of Covid-19 restrictions the test may be divided into two sessions in order to limit the number of people on site at one time. If the decision is made to divide the test, the following may occur:

1. There will be a draw to determine which sessions teams are in.
2. Sibling groups (Dogs belonging to the same owner) will be placed in the same session whenever possible.
3. NO request for which session your team (s) are placed in will be considered.
4. Awards will be done after each session.
5. Handlers will need to vacate the test site before check-in for the next group of handlers.
6. Alternates can be added to the test up until and including the day before the test. If an alternate is added to the second day, they will be contacted the by phone day/night before.

Tentative Schedule

- We will be utilizing a “self-check-in” process each morning of the test. Please look for your team’s name and park your cart in the designated cart parking area. Your numbers, catalog, and other materials will be in this space.
- Check in and equipment check times to be determined after the close of entries. You will be notified via email.
- Course walk-through to follow equipment check.
- Judging to begin as soon as possible after the walkthrough.
- Lunch break at judges’ discretion.
- Awards will be presented at the conclusion of each freight haul.

Class Entry Details

- There will be a limit of 24 entries for the Draft Test.
- Entry fees - \$ 35.00 for each single dog team \$ 40.00 for a brace team
- A separate entry form must be filled out for each dog of a brace team and then stapled/submitted together. Even though two entry forms are required for each brace team, each brace team will be counted as one entry in the Draft Test entry limit.

1. Untitled BMD's
2. Titled BMD's
