Find the **league** you are interested in and click on "Register Online"

PREMIER SOCCER LEAGUE

PSL U10 Boys

- I am registering my entire team.
- I am an individual registering.

Follow the process to register as a team or an individual.

When you register a team, you become the team manager. You are responsible for that team.

You will have to enter your players on your roster. At that point, you can also enter how much they will have to pay.

To enter your players, you will need their first and last name, gender, phone and email address.

Once they are entered, they will receive an email with instructions to finish their registration.

THEY MUST READ AND AGREE TO THE WAIVER BEFORE THEY CAN PLAY

At that time, they can also make their team payment.

Managers who have players that pay by cash/check will need to collect the money from them and turn it in at one time.

You will be able to monitor who has registered and paid on your roster.

ALL TEAMS MUST BE PAID BY FIRST GAME!

If you are registering for training in the Premier Soccer Academy.

Please click on the Premier Soccer Academy registration info page.
