Our Church Library

The church library is located in the Fellowship Room.

To check out a book or DVD,
put your name and title on the sign-out sheet in the library area.
To return a book or DVD, cross out the title on the sign-out sheet,
and put the item in the return basket.

It is that simple!

Many new books will be added to our shelves on a regular basis.
If you are interested in being on our Library Team, contact Debbie Swank in the office.
We would love to have you on our Team!

Check out our Church Library!
There are lots of enjoyable hours waiting for you there!
