

NEW COVID TUITION POLICY

(Begins Jan. 5 2021)

Due to the Covid virus causing us to have to close down and re-open to only have to again close down, we are going to take tuition in the form of punch cards which are good for one year. Bring the punch card to each class and it will be "punched" for that class. The card will consist of ten (10) punches. Each punch is good for 25 minute increments. The half hour class equals one punch, the hour class equals two punches and the hour and one half class equals three punches. Each card will cost \$62.00. One may pay by the class also. $\frac{1}{2}$ hour class = \$6.94, 1 hour class = \$13.88, $1\frac{1}{2}$ hour class = \$20.82.
