## ABOUT THE SPORTS FESTIVAL

In July 2011, ESPN 1420 presented it's first-ever Sports Festival – a one-day event bringing together many segments of Hawaii's sports community.

The 8th Annual ESPN 1420 Sports Festival promises to be the family event of the summer! This FREE event will feature sports clinics and demonstrations for the young and the young at heart. Plus food, games, live entertainment, and more!

Over 4,000 people are expected to attend!

The Sports Festival gives participating vendors the opportunity to:

- Introduce your products and services to a large and diverse crowd
- Drive prospects back to your location with coupons and special offers
- Make money by selling directly to consumers at the festival
- Target a specific audience: sports enthusiasts and their families
- Benefit from positive image association with this community event, designed to help individuals and families stay healthy
