

Line and Staff Relations (Chain of Command)

All personnel employed by the Board shall be responsible to the Board through the Administrative Director.

Personnel will be expected to refer matters requiring administrative or Board action through the "chain of command" as shown on the NWBOCES organizational chart. Additionally, all personnel will be expected to keep the person to whom they are immediately responsible, informed of their activities by whatever means the person in charge deems appropriate.

Through the chain of command all staff members have access to the Administrative Director and Board. All personnel have the right to appeal any decision made by an administrator to the Administrative Director, and a decision of the Administrative Director to the Board.

The lines of authority do not restrict in any way the cooperative and sensible working together of all staff members to develop the best possible school programs and services.
