

Membership 2023-2024 Book of Reports

Congratulations American Legion Auxiliary Department of Arizona members on working so hard on membership for the year 2023-2024. Here are some highlights (all numbers reported here are based on the membership report as of 05-23-2024, 30 days prior to Department Convention):

- Our goal was to hit 15,736. We are at 15,160 which is 96.34% to goal. That is AWESOME and thank you to each and every member for always working on membership.
- There are 27/86 Units and one District that hit or exceeded the 100% mark by the deadline. The Units meeting or exceeding the 100% mark will receive a ribbon.
- Nationally, Arizona is ranked #3! Florida and Alaska are ahead of Arizona but we are right on the heels of Alaska so we may have the #2 spot at the National Convention if we can get more membership processed 30 days prior to the National Convention. Keep on sending in your membership!
- Arizona won both National challenges against New Mexico and Alaska. Both states will be sending \$25.00 to go to Madam President's Special Project (PSP).
- Districts 11 and 12 had a challenge to see who would have the highest percentage of membership by 12-07-2023. District 12 won and District 11 paid \$50.00 to PSP.
- Unit 41 challenged Unit 65 to see who would have the highest percentage of membership by 11-11-2023. Unit 41 won with 58.99% versus Unit 65 with 41.16% as of the membership report dated 11-15-2023.
- We now have more Units than ever processing their own membership on ALA MIS! This is great news and let's keep that number growing.

This has been a very successful year for membership and I thank you from the bottom of my heart as I know how hard you all work!

Thank you!
