DESCRIPTION: Here is a 1974 model of the famed Bear Kodiak Magnum. Bear's forest green "Futurewood" (resin impregnated compressed hardwood) riser. Factory installed stabilizer bushing. Bow has no delamination; no cracks; limbs are straight. Overlays and tips are in great condition. A few filled screw holes on the side of the riser near the medalion (see pic on last page). No chips, dings or cracks. No stress lines or crazing. A few minor scratches, nicks and blemishes here and there. Decals are in excellent condition. Overall, this is a really nice bow in excellent condition for its age.

COMES WITH A NEW STRING.

Note: The rug rest and side plate were installed after the rest of the other pictures were taken.
