

TRAINING SEMINARS 2020

Introduction to the latest version of Jonas Software

The latest version of Jonas Software has been released for all clubs. Like all previous versions, this one is full of great enhancements and upgrades to make your club even more efficient. Our seminars will review the most important highlights and teach you how to take advantage of the changes. We will also be presenting our list of the most important membership related features in Jonas as well as an in-depth review of food and beverage menu design in point of sale.

Session 1: Accounting, Membership & Top 15 Membership Tips

This session will focus on all of the important changes covering system administration, accounting, and membership. This year's afternoon session will be a review of the most important membership features within your Jonas Software. Some of the highlights of this session include:

- Accounting upgrades
- Updated financial statement drill down
- New accounts payable features
- Updates to member account inquiries
- Afternoon Session: Top 15 Membership Features in Jonas!
- Updated pre-paid expense tracking
- Updated fee schedule reporting
- Updated demographic reporting
- Updated membership spending reports

Session 2: F&B Point of Sale Training Seminar

This session will prepare your Food & Beverage staff for the upcoming season. The first half of this session will cover many of the new features related to POS. The second half of the session will focus on creating professional menu pages to speed up service and increase the efficiency of your team. Some of the highlights of this session include:

- Major upgrades to chit splitting
- New methods of working with seat numbers
- New features for faster processing
- Tablet optimization features
- New and updated POS reports
- Afternoon Session: A complete guide to designing professional menu pages.
- New Wireless POS options
- New override features
- New features related to preparation options
- Updates to POS menu design
- Updates for digital signatures

**Updated:
Online Only!
\$200
Per Person Per
day!**

(Reduced from \$300)

Seminar Schedule:

9:00 am – 4:00 pm

Join from HOME or your office. We will review the exact same material that we would have covered in person! Internet and telephone are required.

We'll send you the material to print and the Go to Meeting Invite before the training date.

These courses have been pre-approved as educational credits toward the renewal requirements of the Certified Hospitality Accountant Executive (CHAE®), and/or the Certified Hospitality Technology Professional (CHTP®). Both the CHAE and CHTP are professional certification programs offered by Hospitality Financial and Technology Professionals (HFTP®).
