

III. SEC. 403 – HOLDING AND SEPTIC TANK, BOAT PUMP AND PIT TOILET DISCHARGES is amended effective April 1, 2023 as follows:

a. Holding Tank Discharges

Volume Charge = \$25.36/1,000 gallons

b. Septic Tank Discharges

Volume Charge = \$236.40/1,000 gallons

c. Boat Pump Out Discharges – Gibraltar Town Dock

- Unmetered Fixed Charge = \$900.00/yr.
- Unmetered Volume Charge = Actual number of pumps based upon pumping records submitted by user satisfactory to the District OR a minimum of 120 pumps x 50 gallons x \$25.36/1,000 gallons (treatment cost)

Boat Pump Out Discharges – Alibi Dock

- Unmetered Fixed Charge = \$900.00/yr.
- Unmetered Volume Charge = Actual number of pumps based upon pumping records submitted by user satisfactory to the District OR a minimum of 360 pumps x 50 gallons x \$25.36/1,000 gallons (treatment cost)

d. Pit Toilet Discharges

- Unmetered Volume Charge = \$579.00/1,000 gallons

All other provisions of Section 403, Holding and Septic Tank, Boat Pump Out and Pit Toilet Discharges, remain the same.

IV. Charges to users outside of the jurisdictional boundaries of Fish Creek Sanitary District No. 1 shall be subject to fixed and volume charges pursuant to separate agreement between such outside user and the District.

V. Article V Connection Charges are amended effective April 1, 2023 as follows:

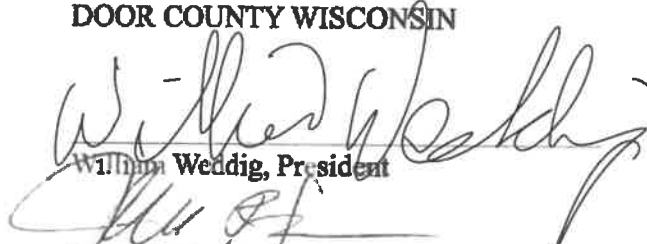

Inside Sanitary District:	\$ 7,500.00 per unit
Outside Sanitary District:	\$10,000.00 per unit

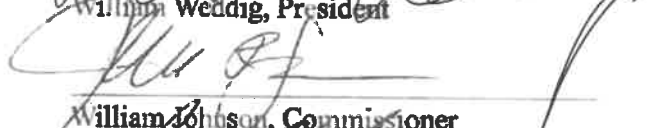

VI. All Fish Creek Sanitary District No. 1 ordinances, or parts of and/or attachments to ordinances, in conflict herewith are hereby repealed or amended to correspond with this ordinance.

VII. This ordinance shall take effect following its adoption and publication.

Approved and adopted this 8th day of May, 2023

FISH CREEK SANITARY DISTRICT NO. 1
DOOR COUNTY WISCONSIN
