NO RUN ORDER will be mailed out – a time block will be assigned and a run order will be created within the time block. All entries with a valid, legible email address will be sent an entry confirmation with time block. Dogs not checked in within 15 minutes of the start of their block time may be moved to a later time block.

Grounds will be available one hour prior to test hours. Test hours are 9:00AM until 4:00PM or until all runs are completed. It is also the responsibility of each entrant to be ready with catcher and releaser when their dog is called to the line. We have a limited number of volunteers; please consider asking fellow entrants to catch/release if you are coming alone.

### **Roll Call**

Roll call is the time when participants are expected to check in. Check-in is followed by inspection for fitness, lameness, or “in season” females. Every dog must be inspected prior to EACH run. Handler will wipe female dogs. Roll call will open 15 minutes before your block is scheduled to run. If you do not check in within one hour of the event closing, we will assume you are absent. There are no refunds for absent dogs. Bitches known to be in season are not to be brought to events and entry fees will be refunded.

### What is FastCAT?

1. Fast CAT is a timed straight 100-yard dash for dogs.
2. Dogs are held at the start line and the coursing lure is activated prompting the dog to follow chasing it to the finish line and into a catch pen. The course is completely fenced, and dogs are run individually.
3. Dogs are timed when they complete the 100-yard dash. The time is converted to Miles Per Hour (MPH).
4. Based on the dog's size at the withers a handicap is applied and points are earned:
  - 18" or greater = Handicap is 1.0
  - 12" up to less than 18" = Handicap is 1.5.
  - Under 12" = Handicap is 2.0.
5. **FORMULA: MPH X HANDICAP = POINTS**
6. Titles are earned at specific point levels  
BCAT = 150 points, DCAT = 500 points, FCAT = 1,000 points  
FCAT# = Each additional 500 points  
\*ACCORDING TO AKC RULES; Handlers are not permitted to run with a dog during an official run but must remain either at the start or finish area of the course. Handlers are not to allow dogs to be enticed through the course with anything other than the lure during its official run. NO mechanically devices including whistles, horns, bull horns, etc. or toys including the waving of objects to lure the dog to the finish line. You MAY CHEER and use the dog's name only.
