

JOIN US IN BARABOO, WISCONSIN FOR THE 66th ANNUAL TOUR JULY 16-21, 2023 "BEER, CHEESE, AND MODEL T'S"

Please join us for the 66th MTFCI Annual Tour on the scenic byways in and around Baraboo, Wisconsin, an area 1.5 billion years in the making. The rock of the Baraboo Range, eroded by glaciers in the last Ice Age, form the hills, lakes, and river valleys that we will drive through. In addition to the natural beauty of the area, we will visit a diverse group of attractions. In Baraboo, which was the winter home for several circuses, including Ringling Brothers, we will tour and eat lunch at the renowned Circus World Museum. At the Badger Steam and Gas Club we will enjoy homemade ice cream and admire vintage steam and stationary engines, tractors, and other innovations from our agricultural and industrial heritage. Scrap metal from our industrial heritage became the artist's medium for exotic sculptures that make up Dr. Evermor's Park, another stop on our tour. For the animal lovers, we will visit the Wisconsin Big Cat Rescue, home to lions and tigers - but no bears - oh my! Additional enjoyable stops are still being finalized by our Tour Committee.

Our host hotel is Devil's Head Resort and it will serve as the site for many of our tour activities, including the Car Show, Fashion Show, Youth Auction, and Closing Banquet. Trailer parking will be available on-site. Hotel amenities include an indoor pool, outdoor pool, two restaurant options (bar & grill, sit-down dining), various outdoor seating areas, landscaped grounds, and two 18-hole golf courses. Our group standard room rate is \$119/night, plus tax (with suites offered at \$139/night, plus tax), which includes a hot buffet breakfast. Multiple campground options are available; please visit our website to sign up for updates as our committee works to finalize those details.
