

## **INTAKE APPLICATION**

Date:		
Client Name:	DOB	-
Parent/Guardian		_
Address:		_
Phone/email:		

At Hatch we are a heart-centered group of professionals committed to guiding children and young adults in the development of pathways to learning and living wisely. Our goal is for each person entrusted to our care and direction to reach their potential academically as well as socially. We offer a diverse range of research-based programs and services to tailor our mission to each individual and family unit we have the opportunity and honor to serve.

We are so excited that you have taken the first step towards accessing a Hatch student program or service. Your intake appointment today will involve completing this application, a screening/intake assessment of your child, a parent conference, and recommendation of programs and/or services. This process takes from one to one and a half hours to complete. Please know that the application is very thorough and covers many areas. We ask this information to assure that we get a whole rather than partial picture of your child in order to offer or recommend to you a complete, wrap-around package of services. Be assured that we operate professionally and follow both the FERPA and HIPPA guidelines regarding confidentiality.

Your payment for today will be \$135.00. Along with cash or check, we do accept mastercard and visa for your convenience. If you choose to access one of our services following this appointment. Hatch requires a signed engaged agreement outlining our policies and procedures. Prices vary on program selection and combinations, and many payment options are available including the opportunity to apply for financial assistance through our non-profit partner, Turtle Wing Foundation.
