

# COOKING WITH CHRISTOPHER

## Cooking with Christopher

Each Saturday night before the Sunday brunch service (so the Saturday night before the first Sunday of the month) join me in the basement at First Spiritual Science Church for some good food, fun times, plus great company and conversations. I want to emphasize for anyone interested in learning culinary arts: this is not an instructional class. This is a chance for us to get together and share in some good healthy and homemade food, prepare a little something extra special for Sunday Brunch, add to their catalog some new recipes, and maybe add to their arsenal of kitchen skills while having fun with friends.

Cost of class will vary from month to month, depending on the number of participants and cost of ingredients for our selected dinner. All participants are welcome to make suggestions for future months. Whether or not you stay for dinner Saturday or come back Sunday for brunch, each participant will be able to take a personal portion of the monthly meal home with them, along with a printed ingredient list and recipe instructions for how to cook what we cook each month.

\*All classes are on SATURDAY, and begin at 6:00 PM unless specified

\*\*Please be sure to register and pay for class PRIOR to its occurrence. This helps to ensure there will be enough for everyone to participate and take something home with them.

Questions, suggestions or to register for an upcoming class: [cmtjudge@gmail.com](mailto:cmtjudge@gmail.com) or 720-499-6863. Payment accepted in cash, check, or a variety of electronic formats.
