### Rapid

Proven 12-week program

### Safe

FDA approved medications  
and evidence-based  
nutritional supplements

### MD-Supervised

Medications prescribed and  
monitored by local Board-  
Certified MDs

## RAPID SAFE MD-SUPERVISED WEIGHT LOSS PROGRAM

Get healthy, get happy, and be proud of how you look and feel.

Work with Hawaii's best holistic health experts to lose weight safely, quickly and keep it off. Our unique combination of prescription medications, nutritional supplements, fitness & diet plans, and weekly support will **turbocharge** you as you race towards your weight goals!

Losing weight and restoring a person to a healthy lifestyle is not a one-size fits all situation. You can chose from our four comprehensive Change Plans to find one that fits your unique needs. Together we will catapult you past everything that has kept you from losing weight and keeping it off. This is not a diet. This is your first step towards a new and better you.

Change Plans starting at only  
\$1200 for 12 weekly sessions
