

# BE AWARE... BE PREPARED... and HAVE A PLAN!

*This book may save your life!*

"IT'S A DISASTER!" is a unique customizable disaster preparedness and basic first aid manual for agencies, businesses, volunteer groups, nonprofits and others to help whole communities prepare for the unexpected.

The book qualifies as public education on grants providing about a \$3 to \$4+ return on **match**. And paperbacks can be customized for free with full color stickers in small volume or in the print process in bulk.

*Proceeds benefit the U.S. First Responders Association*

5th Ed., 266 pgs, ISBN 9781930131255, retail \$14.99

## COLLABORATIVE IDEAS TO FORM PUBLIC-PRIVATE PARTNERSHIPS

Generate buzz by partnering with public & private sectors + help fund First Responders and volunteers + educate local communities = a whole community approach!

- Customize books with logos, evacuation maps, shelter data, plans, program data, etc for **FREE**;
- Collaborate with businesses to sponsor purchases or place advertisements and coupons in books;
- Include discounts on products and services to help people **save money** on everyday items;
- **Upgrade** order to include **48** to **288 extra color glossy** pages and collect \$\$\$ for color ads;
- Commit private and public funds (we can individually receipt each group down to the penny);
- Earn tons of **match** from books and ad revenues that can be used on matching grants programs;
- Give books to schools, Scouts, CERTs and others to help disseminate materials to the public.

*FSC can manage book projects for your community and proceeds benefit first responders!*
