

THE ABRAHAMIC COVENANT

The purpose of this chart is to illustrate the land grant that YHVH gave to the descendants of Abraham through the Promised Son of Isaac. Although the current political effort by the world and the UN is to divide the land of Israel, the Bible states that at the age 75 the Word of YHWH came to Abram in a vision commanding him to leave Ur to a Land that YHVH would show him. YHVH promised a land and descendants as numerous as the sand of Earth and the stars of Heaven; an heavenly and Earthly posterity. Abraham believed the Promise of YHVH and thus was called a "Man of faith", Righteous and "the Friend of God" by YHVH. The Apostle Paul uses Abraham as an example of salvation by faith and the progenitor of Christ Jesus the Messiah in Galatians 3:16. The imagery of a father, as Abraham was to test by a sacrifice of his only son is a type of God the Father offering His Only Son at the Cross of Calvary as stated in John 3:16. Many believe that this sacrifice of the SON of GOD was on the very site Abraham attempted -at Mr. Moriah (Calvary). The Promise of YHVH's Redeemer -as a type of Isaac that was to be sacrificed as a test to Abraham's faith. The 'Seed' in Genesis 3:15 spoken of Eve was to come through Abraham. It was physically manifested through Abraham's physical descendant -JESUS. Abraham, according to the Apostle Paul, is the representation of those that by their Faith in the LORD GOD of Israel is accredited to as Righteousness; not one's own but by the Covenant unilaterally made by YHVH. This was by the giving of the propitiation of Christ Jesus for those that believe and trust in Christ through the sacrificial substitution for Humanity's sin at the Cross of Calvary. There, Jesus purchased Redemption, Sanctification, and Glorification for those that believe on the SON.

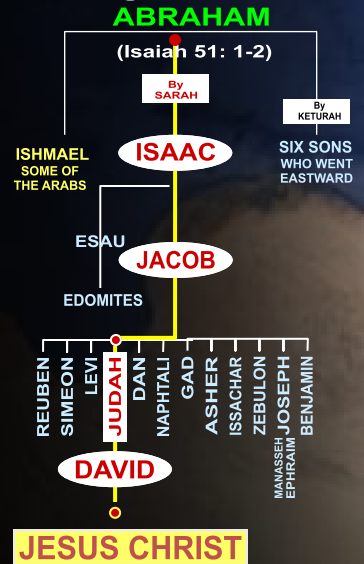

SOME OBSERVATIONS

Abraham was a descendant of Noah's son, Shem. Terah, the 10th from Noah, fathered Abram. Abraham means 'Father of a Multitude' (Hebrew: 'ab-hāmôn goyim). Abram's was his name before YHVH changed it to Abraham, His native homeland was Ur Kašdim, better known as Ur of the Chaldees. The Masoretic Text places Abraham's birth 1,948 years from Adam. Israel's re-birth coincides with '1948' after Christ, the Last Adam. In 1948, Israel was 'reborn' in 1 Day as Isaiah foretold, exactly 1,948 years from 70 AD.

If the date is true, then Abraham lived in 'the days of NOAH' for about ~50 overlapping years since 1948 BC.

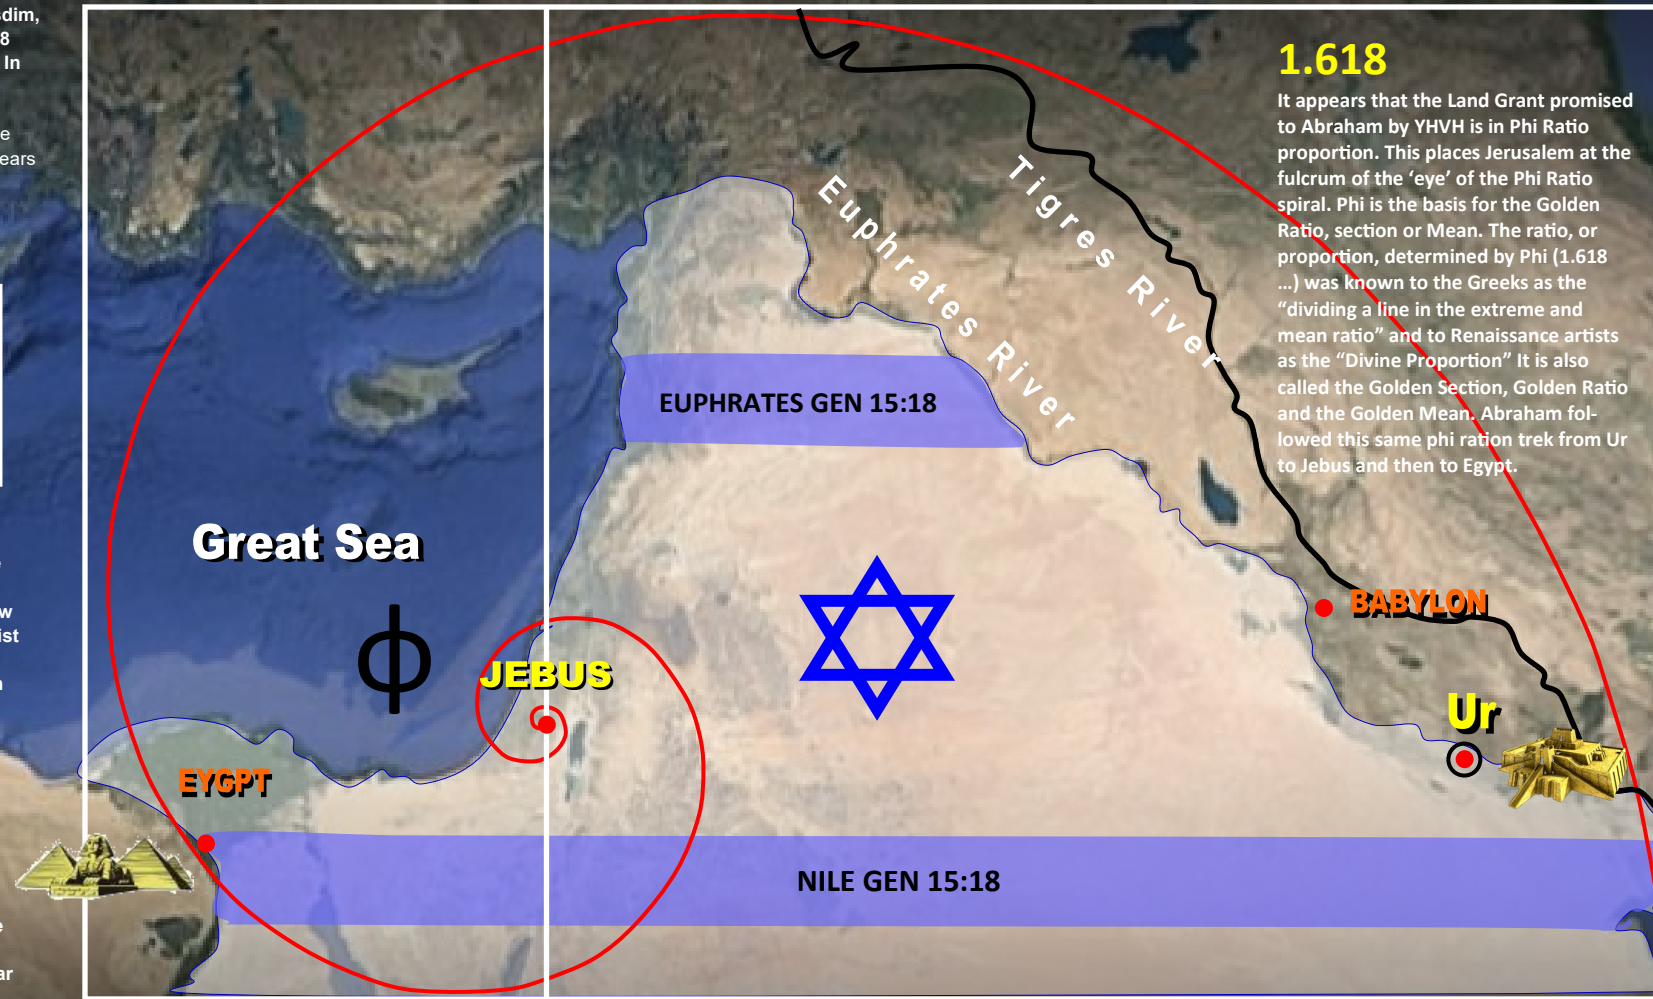

ABRAHAM'S JOURNEY of FAITH

From UR to Promised Land

If Abraham's birth perhaps correlates to modern Israel's birth, then thereafter, the Presentation of the Bride to the Son is to follow. This is a speculated pattern of how the Holy Spirit will bring the Bride of Christ to Jesus. It is speculated that on 63 AD Herod's Temple was completed. The 64th Anniversary for Israel occurred in 2012 since 1948. Herod's Temple only stood completed 7 years as in 70 AD it was destroyed by the Romans. Perhaps this could be a shadow the completion of YHVH's 'Spiritual' Temple, the Bride of Christ that thereafter has been prepared for the SON will be presented. Will this generation then be the one in which that Messiah is presented the Bride much like Isaac was with Rebecca? Will a 7 year 'Prophetic Week' ensue after the 70th year anniversary of Israel's birth in 2018?

Greater Israel Land Grant

1.618

It appears that the Land Grant promised to Abraham by YHVH is in Phi Ratio proportion. This places Jerusalem at the fulcrum of the 'eye' of the Phi Ratio spiral. Phi is the basis for the Golden Ratio, section or Mean. The ratio, or proportion, determined by Phi (1.618 ...) was known to the Greeks as the "dividing a line in the extreme and mean ratio" and to Renaissance artists as the "Divine Proportion" It is also called the Golden Section, Golden Ratio and the Golden Mean. Abraham followed this same phi ration trek from Ur to Jebus and then to Egypt.

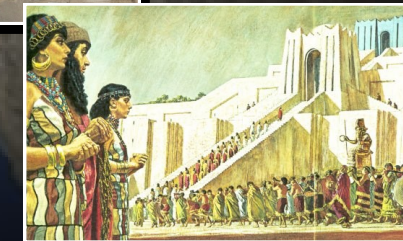

If Abraham was indeed born in -1948 BC then some simple MATH can be asserted to come up with a unique date from this reference point.

THE PROMISE

The work of the atonement of the Son by the Father comes with a land covenant, that of the 'Palestinian' one. It comes the Greater Israel that is yet to be realized. It will only occur during the 1000-year Kingdom of the Messiah when Jesus returns. The physical geo-political boundaries of the borders of Greater Israel will be given to the descendants of Abraham by way of Isaac, not Ishmael. The spiritual 'land' or inheritance, that to include the whole Earth will be given to the Gentiles through Jesus Christ.

Zaggurat of Ur present day

Abram came from a Priestly Family

As the Father is to present a Bride to Christ, so too Abraham sought a Bride for Isaac. As Rebecca was 'fetched' and taken out of her land, is the 'Year' of that Presentation to Isaac, the 'son' then tied to the 1948 Benchmark year of 2018? Abraham's birth then foreshadowed the re-birth of Israel in so doing puts the "Blessed Hope" or Rapture in queue to take place in the generation that saw the 1948 AD re-birth of Israel as the Rapture is a presentation of the Bride to the SON, the King. The timeframe is possibly within the 70-Year generation of suffering to be completed by Israel. The 70th year anniversary of 1948 is 2018. Christians now as Abraham are also looking to the New Jerusalem, with foundations, whose Architect and Builder is YHVH.
