# Summer News!

## What you need to know and plan for.

From our plans for graduation to news of our Open Houses for all our locations, we want to provide you with all the latest. We're excited to get our year started and we want you to be a part of it. So, please, read on and then call or email us with questions.

Last year was a great success despite the Covid-19 closures and we expect the coming year to be even better. So, join us! We promise you this will be an unforgettable schooling experience for both you and your child.

### **Class of 2020 Graduation Announcement**

We have set the date!

Our Commencement Ceremonies are scheduled for **Wednesday, July 29, 2020**. The ceremonies will be held at the Wyndham Hotel (Airport) as previously planned.

We are still required to abide by social-distancing mandates so a few changes are in order. Read on for more information.

### **Things you need to know about our Graduation Program**

#### *Time of Your Graduation*

In order to comply with social-distancing mandates, we will be holding two ceremonies on the same day:

- Kinder and 8th grade graduates will be celebrated at 4:30 p.m.

- 12th Grade/High School graduates will be celebrated at 7 p.m.

### *Student Awards*

If your child has been nominated for an award this year, congratulations! You will be informed of the nomination and the award by email within a week's time. You will also be instructed as to which celebration you should attend. In order to keep everyone safe and healthy, we ask that students who are receiving awards only (but are not graduating) have a maximum number of 2 family members present for the ceremony.

### *Arrival Time*

All graduates should arrive at least 1/2 hour prior to their assigned graduation time. Please make sure that your child has his/her cap and gown on and is ready to move to their assigned seating upon arrival. Our staff will be on hand to help with seating arrangements.

### *Graduation Start Time*

Please bear in mind that both ceremonies will begin on time. We do not hold up an event for any late-comers. So, please...plan ahead and allow for traffic slows.

### *For your Safety*

Your group of family and friends may sit together as you see fit. However, we do ask you to mind social-distancing with people you do not know. You may do this by leaving extra chairs between you during the ceremony and by keeping your distance as you enter and leave the venue. We also strongly suggest you carry hand sanitizer for your safety and wear a mask for the protection of others.

### *The Valedictorian & Salutatorian*

The Valedictorian and Salutatorian of the Class of 2020 will be speaking at the 7 p.m. ceremony only.

### *Space Limitations*

The venue has an established limit of 50% of capacity. This percentage may go up to 75% by the time of the graduation. We expect that, with the division of the ceremonies, we will be well within this limit. If anything changes, we will inform you.

### *Graduation Picture Day*

We are still trying to establish a date for graduation pictures and we are hoping to get this done around mid-July. Please keep an eye on your inbox for updates and details.

---

## **About our Upcoming Open Houses**

---

We're excited and you're invited!

Here's the deal: We want to meet you and we want to do it safely. So, we're planning our Annual Open Houses with a twist this year.

Rather than host you all in one large gathering, we will happily host you individually or as a family. Select the day you want to attend from the dates below and **CALL, EMAIL**, or send us a **TEXT** to schedule your visit. (Send your text to 915-538-9194.)

All **NHHSA** locations (East, West, & Transmountain) will be available for your visit. And, when here, you will have our undivided attention. We promise.

#### OPEN HOUSE DAYS

Wednesday, July 22nd

Thursday, July 23rd

## We're Excited to Meet You!

Already one of our great families? Make your Open House appointment anyway. Come and see what we've done with the place and learn about our safety measures to help keep you and your children safe!

Prefer to make your Open House appointment a virtual one?

We can accommodate you and still introduce you to our educators, show you around, and answer your questions all from the comfort and safety of your home.

We've been doing this homeschooling thing for 25 years. We're really quite good at it!

We're looking forward to working with you and your children in the coming year. Thank you for trusting us to join you on your homeschooling journey. We think you've made a superb choice and we're confident you'll feel the same.

Thank you and see you soon!
