APPENDIX TO FORM NRCS-CPA-1202, “CONSERVATION PROGRAM CONTRACT”

General Contract Provisions

1. DEFINITIONS

The following definitions are applicable to the Conservation Program Contract (CPC) entered into under the program identified in the program-specific section of this appendix. All other words and phrases, unless the context of subject matter otherwise requires, shall have the meanings assigned to them in the regulations governing the applicable program.

1. **Contract or CPC.**—The program documents, including Form NRCS-CPA-1202, “Conservation Program Contract”; the Appendix to Form NRCS-CPA-1202; Form NRCS-CPA-1155, “Conservation Plan or Schedule of Operations”; Form NRCS-CPA-1156, “Revision of Plan/Schedule of Operations or Modification of Contract”; and Form NRCS-CPA-152, “CPC Transfer Agreement.” The contract sets forth the terms and conditions for program participation for the programs identified in this Appendix.
2. **The Natural Resources Conservation Service (NRCS).** —An agency of the U.S. Department of Agriculture (USDA). NRCS is administering this contract on behalf of the Commodity Credit Corporation (CCC). Therefore, where this contract refers to “CCC,” NRCS may act on its behalf for the purposes of administering this contract.
3. **Participant.**—A person, legal entity, joint operation, Indian Tribe that is a producer, or other eligible party who has applied for participation in the program, has been selected as eligible for participation, and who has entered into this contract as responsible for implementing its terms and conditions. Any participant that will receive any share of a payment made for the implementation of this contract must be a signatory on the contract and eligible for such payment. Any participant on the contract may approve payment applications for the contract unless signatory is specifically not granted or assigned on the contract Forms NRCS-CPA-1202 or NRCS-CPA-152.

2. ELIGIBILITY REQUIREMENTS

- A. The participant must, upon request, provide evidence to NRCS demonstrating that such participant controls the land during the contract period. By signing this contract, the participant certifies that such participant will control the land subject to the contract for the contract period.
- B. Land otherwise eligible for the applicable program shall not be eligible, except as agreed otherwise, in writing, by NRCS, if the land is subject to a deed or other restriction prohibiting the production of agricultural commodities or where a benefit has or will be obtained from a Federal agency in return for the participant's agreement not to produce such commodities on the land during the same time as the land would be enrolled in the program. By offering land for enrollment, the participant certifies as a condition for payment that no such restrictions apply to the subject land.
- C. The participant shall not be eligible for payments for implementation of conservation practices or activities that the participant is required to implement to address noncompliance with 7 CFR Part 12. Contract payment will not be delayed for conservation practices or activities completed while in noncompliance with 7 CFR Part 12 or for the purpose of circumventing the payment eligibility requirements set forth in 7 CFR Part 12.

The contract term begins on the date NRCS executes the contract as indicated on the Forms NRCS-CPA-1202 or NRCS-CPA-152 and shall not exceed the maximum length authorized for the program. All required participants must sign this contract within the timeframe established by NRCS. In the event that a statute is enacted during the period of this contract which would materially change the terms and conditions of this contract, the NRCS may require the participant to either modify this contract consistent with the provisions of such statute or agree to contract termination.

5. CONTRACT CORRECTION, MODIFICATION, AND TRANSFER

- A. Contract Correction.—NRCS reserves the right to correct all errors in entering data or the results of computations in this contract. If the participant does not agree to such corrections, NRCS shall terminate the contract.
- B. Contract Modification.—NRCS and the participant may agree to modify this contract upon determination and approval of NRCS that the modification is consistent with the purposes of the program and is in the public interest. Any participant on the contract may approve modifications for the contract on behalf of all participants unless such signature authority is specifically denied on Form NRCS-CPA-1202.
- C. Contract Transfer:
 1. The participant must provide written notice to NRCS within 60 days of any voluntary or involuntary loss of control of any acreage under the contract, including changes in a participant's ownership structure or corporate form. NRCS will terminate the contract, if timely notice is not provided, if an eligible producer is not identified in the notice, or if the new producer is not approved by NRCS to accept the terms and conditions of the contract.

U.S. DEPARTMENT OF AGRICULTURE
Natural Resources Conservation Service (NRCS)

APPENDIX TO FORM NRCS-CPA-1202, "CONSERVATION PROGRAM CONTRACT"

2. NRCS may approve a transfer of the contract if the new producer meets the program eligibility requirements within a reasonable time frame as determined by NRCS, the new producer agrees to assume the rights and responsibilities for the acreage under the contract, and NRCS determines that the purposes of the program will continue to be met.
3. Until NRCS approves the transfer of contract rights, a new producer is not a participant and may not receive payment for conservation practices or activities commenced prior to approval of the contract transfer.

6. CONTRACT VIOLATION AND TERMINATION

- A. If a participant fails to carry out the terms and conditions of this contract NRCS may terminate this contract. NRCS may require the participant to refund payments received under this contract, or if not terminated, require the participant to accept such adjustments in subsequent payments as are determined to be appropriate by NRCS.
- B. The NRCS may terminate this contract, in whole or in part, without liability, if NRCS determines that continued operation of this contract will result in the violation of a statute or regulation, or if NRCS determines that termination would be in the public interest.
- C. NRCS and the participant may agree to terminate this contract if NRCS determines that the termination is in the public interest.
- D. NRCS may determine that a participant is not in violation of the contract for failure to comply with the contract if the circumstances for failing to comply were beyond the control of the participant, including a disaster or related condition, as determined by the NRCS.
- E. The contract terminates upon death of the participant unless the estate or other successor of the deceased participant, as determined by NRCS, assumes responsibility for the contract and meets applicable eligibility requirements. NRCS may transfer the contract to the estate or deceased participant successor by completing Form NRCS-CPA-152. The transfer agreement is not in effect until approved by NRCS. Payment will be in accordance with guidance provided in applicable provisions of 7 CFR Parts 707 and 1400 as determined by NRCS.

7. PAYMENT COLLECTION AND RECOVERY OF COST

- A. Collection of amounts due from a participant for contract violation, improper payment, or any other reason will follow procedures of 7 CFR Part 1403. NRCS will notify the participant and provide the reason for the collection and the amount owed. Unpaid debts accrue interest due to the NRCS beginning 30 days after the billing date at the current value of funds rate published in the Federal Register by the United States Department of Treasury.
- B. In the event a participant violates the terms of this contract, the participant voluntarily terminates this contract before any contractual payments have been made, or this contract is terminated with cause by NRCS, NRCS will incur substantial costs in administering this contract which may not be possible to quantify with certainty. The participant agrees to pay, at the time of termination, liquidated damages in an amount equal to 10 percent of the total financial assistance obligated to the participant in this contract. The liquidated damage payment is for recovery of administrative costs and technical services and is not a penalty.

APPENDIX TO FORM NRCS-CPA-1202, "CONSERVATION PROGRAM CONTRACT"

8. OPERATION AND MAINTENANCE OF CONSERVATION PRACTICES OR ACTIVITIES (O&M AGREEMENT)

The participant agrees to operate and maintain (O&M) all conservation practices or activities included within this contract. The participant's O&M responsibilities begin when they complete the conservation practice or activity, as determined by NRCS, and shall continue through the end of the practice or activity lifespan. Failure to carry out O&M may result in NRCS terminating this contract.

9. PROVISIONS RELATING TO TENANTS AND LANDLORDS

No payment will be approved for the current year if NRCS determines that any of the following conditions exist:

1. The landlord or operator has not given the tenants that have an interest in the agricultural operation covered by the contract, or that have a lease that runs through the contract term at the time of sign-up, an opportunity to participate in the benefits of the program.
2. The landlord or operator has adopted any other scheme or device for the purpose of depriving any tenant of any benefits to which such tenant would otherwise be entitled. If any such conditions occur or are discovered after payments have been made, all or any part of the payments, as determined by NRCS, must be refunded and no further payments shall be made.

10. MISREPRESENTATION AND SCHEME OR DEVICE

A participant who is determined to have erroneously represented any fact affecting a determination with respect to this contract and the regulations applicable to this contract, adopted any scheme or device which tends to defeat the purposes of this contract, or made any fraudulent representation with respect to this contract, will not be entitled to payments or any other benefits made under this contract. The participant must refund to NRCS all payments received plus interest. In addition, NRCS may terminate the participant's interest in all conservation program contracts. The provisions of this paragraph of the Appendix shall be applicable in addition to any other criminal and civil fraud statutes.

11. RIGHTS TO APPEAL AND REQUEST EQUITABLE RELIEF

- A. The participant may appeal an adverse decision under this contract in accordance with the appeal procedures set forth at 7 CFR Part 11, Subpart A, and Part 614. Pending the resolution of an appeal, no payments shall be made under this contract. Before a participant seeks judicial review, the participant must exhaust all appeal rights granted within these regulations.
- B. The participant may also request equitable relief as provided under 7 U.S.C. 7996 and 7 CFR Part 635.

12. DRUG-FREE WORKPLACE (2 CFR Part 182 and 2 CFR Part 421)

By signing this contract, the participant certifies that the participant will comply with the requirements of 2 CFR Part 182 and 2 CFR Part 421. If it is later determined that the participant knowingly rendered a false certification, or otherwise violated the requirements of the Drug-Free
