

LEGAL UPDATE

October 22, 2009:

Wojtowicz/Luhring/Swanson/HNOA. Counsel for the plaintiffs advises that the Wojtowicz have decided to withdraw their complaint against the several parties. The owners of Lots 50 and 51 will be able to build homes approved by the Design Review Committee. The defendants are expected to recover their legal expenses without further process.

Pappa/Van Roekel/HNOA. The final form of the court order will be distributed in the next several days. Counsel for Pappa advises that they will not pursue the remaining elements of their complaint having to do with the constitution and actions of the Design Review Committee.

The HNOA President has asked HNOA counsel to provide an electronic copy of the court order once it has been published. Association members who wish to have a copy should make their request using the "Contact Us" tool on the web site.

The prevailing parties intend to recover their legal expenses.
