

TRIBULATION PERIOD 2022-29?

END OF GRACE PROPHETIC SEASON

When will the Church Complete its Commission?

'Therefore go and make Disciples of all Nations, Baptizing them in the Name of the Father, and of the Son, and of the Holy Spirit, and Teaching them to Obey all that I have Commanded you. And surely I am with you always, even to the End of the Age'. -Matthew 28:19-20

The purpose of this study is to consider the various Prophetic Variables that could suggest, 2022 is the Last Year of the Church Age, and subsequently the Debut of the 'Beast' thereafter and the Tribulation Period. This study will suppose a Pre-Tribulation Rapture, as that is what will be the Termination Point of the current Age of Grace or Church Period. The Evidence for these opening arguments will be presented in this study. As a prelude, a little Biblical Theology will be overviewed. Presently there exists on Earth, something that is unique and astonishing, the 'Body of Christ'.

It is made-up of the Collective Members, both of those Dead and Alive who have put their Trust and Faith in the Finished Work of Jesus, since His Death, Burial and Resurrection. This was accomplished over 1990 years ago at the Cross of Calvary. At no other Time since Adam, has this Body of Christ existed on Earth with Power and Authority to undertake the Commission of the Son of GOD, no small matter. Moreover, this Mystery Age has enabled something to be in a Human that only few had ever partaken of since Adam, the Indwelling of GOD the Holy Spirit. And it will not change or has not changed the DNA of a Human, at least not yet, until the Rapture.

The Holy Spirit is a Seal and a Sign of a 'Down Payment' of the Whole that is to be realized at the Glorification of the Saints. This is to occur once the End of the Church Age concludes with the Resurrection-Rapture event. And one contends that it will be an Appointed Time, a Specific Hour, Day, Month and Year. Consider that in Noah's Day, of which Jesus said the End would be like, the Flood occurred to the Day, Month and Year. It occurred at that 600th Year of Noah's life. And sadly, out of the Billions perhaps alive at that Time on Earth since Adam, only Noah and his Family were 'Saved'.

If one goes by the 1 Day is as 1000 Years Typology to suggest Human History is patterned like Creation Week with 7 Days, then from Adam to Noah was like '2 Days' or 2000 Years. In parallel fashion, since Christ Died, presuming the Year of 32 AD, that this study will argue and present Evidence for, then likewise '2 Days' will be completed by 2032. Presently since 32 AD, the Population of Human Beings on Earth has reached over 8 Billion now. Yet, how many will have been saved by the Time the Church Age Commission concludes? Obviously, there have been more than 8 People saved. But what if that is in itself a Cypher that can be extrapolated Mathematically?

Sowing and Reaping

This possibility is plausible as the Scriptures do suggest a specific Number that is to be 'Caught' in the Net as a Typology when the Disciples obeyed Jesus and cast their Net on the Right Side of the Boat. This was the occasion when Jesus appeared to them in Galilee after the Resurrection. The Net did not break and many suggest it is a Mathematical Inference of just how many People will have been Saved during the Royal Commission of the Church Age. However, point being that it will not be in the Billions. What the Church Age has afforded the Fallen Race of Adam is Unmerited Favor. It is a Time where no Temple nor Gory Sacrificial Rites are required. Yet most People have rejected this opportunity for Peace and Reconciliation with the Creator.

As to 2022? One will use the Metaphor of Rounding the Corner into the Last Lap in a Relay Race. The Race is won or lost in this Last Segment. It is not how one Starts, but how one Finishes the Race, as it is often said. In this case, it is the Race of Faith. Why mention this? Many in the Body of Christ are weary and growing Faint in Watching for the Blessed Hope in this Last Prophetic Hour or 'Lap'. With World Events spiraling out of control by the day, it seems there is 'No Hope' and things are not 'Blessed'. Many in the Body of Christ are succumbing to the World's Pressures to conform into its 'Image and Likeness'. And this now is threatened tangibly even at the Genetic Level.

But recall that Peter exhorted the Body to hang on to Scripture, to the very Promises of Jesus that are enveloped in Prophecy. So much so, that it is 'a more sure Word of Prophecy' to take heed of. This is why an Athletic Imagery given by Paul shows the scope of what is at stake. It is not an issue of one losing one's Salvation but missing on the Blessings and Rewards. As that is what the Race Typology is suggesting, the Crown that awaits the Winners at the 'End'. But how one's 'Crown' can be forfeited.

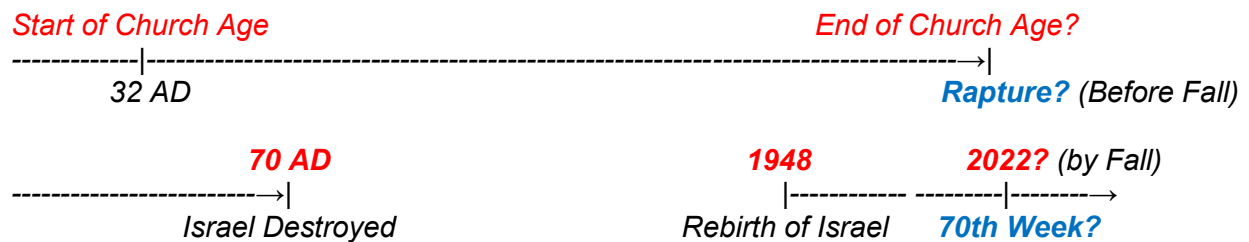

Recall that in Daniel, the stipulation was that only those in the End Times would Understand the meaning of pertinent Prophecy for the precise reason that it concerned their Day and Generation. One is reminded of just how drastic and tragic decisions can be in neglecting Prophecy. This occurred to National Israel. They missed Jesus' Day of Visitation'. It would have brought 'World Peace' to the entire World if only Israel would have only said 'Yes' to Jesus. That 1 decision to reject Prophecy, that being Jesus Himself as Revelation 19:10 defines it, was the only One that could have done it. Their neglect to understand the clear Prophecy given to Daniel was disastrous. Same goes for Eve, and every other 'Fork in the Road' decision seen in the Bible. 'How it could have been'. One decision can have Alternative Universes in one's life. Very sobering.

One contends that Jesus' literal manifestation, with His 1st Appearing, manifested in the Flesh in His Incarnation at Birth will coincide with His 2nd Appearing, manifested in the Flesh. And both will have occurred on September 11 and on Yom Teruah. Jesus will also go through the Golden Gate as His 2nd Coming like He did on that Triumphant Entry, 4 Days prior to Passover on April 14, 32 AD. In this regard, the overlooked passage of Ezekiel 44 speaks of how the Double Door (Golden Gate or Eastern Gate) would be shut after Messiah had entered it. Meaning that Messiah has already come. This would have been a Sign to the Jews, that the Messiah, Jesus had already come.

What is the Timeline?

The Jews missed Jesus' Personal Appearing and are in denial until Jesus' 2nd Advent. One does suppose that the Fig Tree Generation is in play, and it has to do with the Restoration of Israel, Jerusalem and the Temple that one has also written about. How the Sequence of Restoration is in the Reverse Order in how they were destroyed. That is why the last of the 3 Elements has to be the 3rd Temple. It is practically done and one of the 'Signs' the Church can also check, to see how close the Rapture is. Why? This present Church Age, at least since 1948 has had National Israel 'Reborn' and overlap, although not in Faith as Ezekiel foretold. Israel is 'running' in a sense, alongside in that Proverbial Race Track for this Last Generation in tandem with the Body of Christ.

Body of Christ Overlap with Israel

Now, one supposes that the Rapture event will not commence the last 7-Years of Daniel's 70th Week of Years. It will not be the 'Confirmation of the Covenant' spoken of how it is to be done among the 'Many' either. One has theorized that it is the Temple and Altar that will need to be built to start the Daily Sacrifices. This is what the whole Tribulation Day Count is predicated on. No small item in one's estimation as the Psalm 83 War of Inner-Ring Muslim Nation attacking Israel will facilitate this with Israel's win.

But then there are many who dismiss the Fig Tree Prophecy as not being pertaining to Israel. Such believe the 1948 'Birth' of the 'State' was a not the Event foretold, but a Zionist Plot and that the present Jews are Imposter Khazarians. But if such a mix of Jews that have poured-in to Israel from all over the Globe, is not them, then where are they at? And when are they going to be regathered? Time has run out. Yes, there are 'Imposter' Jews as Jesus calls them. They have usurped the Seat of Moses and do not belong there. Jesus called these False Elder of Zion the 'Synagogue of Satan'. It will be at Jesus' 2nd Coming where He, once and for all will put an end to their 'Great Work'. They also use the same Psalm 90 Timeline and 7-Year Sabbath Cycles. Why? It is to enthrone Lucifer as God and LORD over the whole Earth, as he once was.

But was not Abraham born in the 1948th Year since Adam, a mirror of this event, in 1948 AD? The point is that the Rapture, the Coming Luciferian AntiChrist False Jewish Messiah, the Tribulation Period and the 2nd Coming of Jesus, all have to then occur before Israel turns 81 Years Old. (1948 + 80 Years = 2028). The issue is, what is the Start Date? 1948? One contends, that based on one's Prophetic Understanding and Interpretation, the key to all this is the Sabbaths Cycles Theory. The Prophetic 'Start Date' is not 1948 but 1952. The other Key has to do with which Calendar one is counting from. A 1952 Year start Date would realize the Psalm 90 more accurately.

From Which Royal Decree?

The Astronomical or Sun-Moon Calendar is to be pegged and synchronized to the New Moon after the Spring Equinox. This is the proper way to calculate the New Year and Month. It would avoid, for example the Fall Feasts occur in Summer. The same principle applies for the Fall Equinox.. Why is important? As it is, the current Rabbinical Calendar is off and only recalibrates itself every 7 Years. If the Start Date is off, the End Date will be also. Consider the Prophecy of the 70 Weeks of Daniel. There were several Royal Decrees given that is to determine the correct Start Date. This is half the argument.

But it was the one that was pegged to the Year -445 BC Date that was the correct one. However, one strongly contends that it was synchronized to the Spring Equinox, to the Day, Month and Year. Ancient Rulers pegged their Decrees to these Astronomical Time Markers, such as the U.S. President did on the Fall Equinox regarding their next stage of their COVID Plandemic. Thus, from March 20, -445 BC, one arrives at April 10, 32 AD 'Palm Saturday' not 'Sunday'. This was Jesus' Day of Visitation, to the very Day, Month and Year. This Triumphal Entry was exactly 173,880 Days. Then 4 Days later was the Passover, as that 4 Days was required to 'Inspect' the Sacrificial Lamb.

Saturday = **Day 1** *Triumphant Entry (4-Day Examination of Passover Lamb Begins.)*
Sunday = **Day 2**
Monday = **Day 3**
Tuesday = **Day 4**
Wednesday = *(Crucified and Buried before Sunset.)*

1. Wednesday Sunset to Thursday Sunset =24 Hour Day
2. Thursday Sunset to Friday Sunset =24 Hour Day
3. Friday Sunset to **Saturday Sunset** =24 Hour Day = **72** Hours in 'Belly of Earth'.

Determining the correct Start Dates is important as it serves as the Prophetic 'Building Blocks' for the Evidence one is presenting that could then suggest the Rapture Year. This supposition is an alternative to many long-taught Church Age Teachings and/or Interpretation of Prophecy. Furthermore, the 70th Week is 1 Week or a Sabbath Cycle and not just a 3.5 or 1 Time of 1260 Days as many purport or interpret incorrectly. The entire 7-Year Sabbath, which will be Daniel's 70th Week of Year will be exactly 2520 Days or the set of 1260 Day Halves. One does not believe in the Theory that the Days of the Tribulation will have less Hours or less Days of the total 2520-Days Decreed.

So, when does the Tribulation Period begin then? The Evidence for a dual 1260-Day count is seen in the Revelation 12 Sign event, which one believes is clearly the Mid-Point of the Tribulation Period event. This supposes then the 1st set of 1260 Days for the False Jewish Messiah to have commenced the Daily Sacrifices before to then have them stop at the 1260th Day Marker. The other pieces of Evidence for 2520 Days total are the Anointing and Commissioning of the 144,000 Jewish Evangelists takes place at the beginning as do the coming of the 2 Witnesses. It was at the 'Mid-Point' that they are mutually Martyred and whom are thereafter 'Raptured' up to Heaven. Then the subsequent 1260 Days commence as that is the Time allotted for the Jewish Remnant to be 'hidden' in the Wilderness, away from the Dragon's reach.

70th Week of Daniel

Thus, one believes that the Rapture event occurs well before the 70th Week of Years begins in the Fall of a given Year. Then this means that the AntiChrist has to be Debuted even before this stage of the Prelude to the start the Last Sabbath of Years. And this, predicated on a Major War in Israel with the Muslims that Israel will win. This will then set the stage for the AntiChrist to 'Confirm the Covenant' and Promise to Secure and give Israel 'Peace and Security' for a 7 Year Pact. This will be the occasion to build the Temple. That is why the issue with Israel and Iran, Syria and all the Para-Military Jihadist Faction in 2022 will come to a head, it already has and is on-going.

So, in one's analysis and interpretation the Sabbath Cycles, Geo-Political events, one can guesstimate and Reverse Engineer a possible Timeline. One does subscribe to the Psalm 90 Theory, but not being pegged to 1948. Many are now believing it is not 1948 but another year, such as 1952. Why? That was the 1st Sabbath Cycle that occurred once Israel was back in the Promised Land. However, again, the Key is the Sabbath Cycles and if it is true, then from Fall 2021 to Fall 2022 could very well be the Last Year of the Church Age as it is the 'End' of the current Sabbath 7th Year Cycle.

What this them means is dramatic. In that it means that before the Fall of 2022, the Church Age will have had to end. And this predicated by the Resurrection-Rapture event of the Bride of Christ that has to occur on that 'Last Day'. However, the following calculation will be presented as only Evidence. One argues that if and when the Resurrection-Rapture does occur, it will coincide when the Church Age was empowered by the Descent of the Holy Spirit. The Rationale is that, as the Holy Spirit came down, so too will it Ascend, and on the same Date. And in this case, it will be the Bride of Christ that will be removed from off the Face of the Earth, as Promised by Jesus.

So, the key factor is determining when Pentecost occurs. Herein lies the debate to some. Many are starting to understand that there is a Double Count of 49 and 50 Days that are to be factored in. The key is how the account in the book of Acts determines that Pentecost had to be 'Fully Come'. This strongly suggests a Reckoning of Time beyond the 1st count of the 7 Sabbath Cycles of Weeks or 49 Days. One was to then count 50 days thereafter, not on the 50th Day, etc. So, in 2022, when is Pentecost? One can only suggest High Watch Times to consider. One can never say with 100% confidence or Calculated Mathematical Accuracy, that Jesus is to come on September 11, 2029, as that is what one's Timeline is suggesting.

But that given the information one has, at least, it is what one sees and can only report. Thus, based on the Sabbath Cycles since 1952, one is of the strong opinion and interpretation that the Year 2022 will be the 'Last Lap', figuratively speaking. The year 2022 will be Astronomically in sync with the Rabbinical Calendar. Meaning that the New Year will start on the New Moon after the Spring Equinox. This is key. One has to just look at those High Watch Dates. And as mentioned, the Pentecost Window of time will be most significant. Here is a short version of what the Year 2022 will look like Prophetically based on the Astronomical Time Marker from the Spring Equinox Reference Point, in terms of determining the High Watch Dates.

2022 Gregorian Calendar but based on Astronomical Count

1. Spring Equinox = March 20, 2022
2. 1st New Moon after Spring Equinox in 2022: 1st Month = April 1, 2022
3. April 1, 2022 = 1st Month + 14th Day = Passover (Full Moon) = April 14, 2022
4. Unleavened Bread = April 15, 2022
5. Morning after Weekly Sabbath of Sheave Wave Offering = April 16, 2022
6. First Fruits = April 17, 2022
7. Count 49 Sabbaths Morning after Sabbath Wave Offering = June 5, 2022 = Shavuot
8. + 50 Days more per Alternative Interpretation of Leviticus 23:16 = July 23/24, 2022.
9. When 'Pentecost Fully Came'? July 23, 2022. (723) Excluding End Date.

FALL FEASTS OF YHVH

Yom Teruah	September 25 (1st New Moon after Fall Equinox)
Yom Kippur	October 4
Sukkot	October 9
Shemini Atzeret	October 17
Simchat Torah	October 18

Thus, the highest Watch Date will be July 23-26, 2022, as that is when one believes, 'Pentecost will have fully come'. And again, it is based on the Double Count and end of the Sabbath Cycle Theories corroborated by the Spring Equinox Decree in -445 BC. So, to reiterate, 2022 will have its Calendar finally synchronized to the Astronomical or True Calendar of YHVH. It is not based on solely the Mathematical Lunar Rabbinical One, that have Feast Days calibrated incorrectly at Times. For 2022, as mentioned, Passover will occur, starting on the Eve of April 14, 2022, as it was in 32 AD, April 14 and with the start of the last Blood Moon Tetrad of April 14, 2014. Why mention the Tetrad?

It was, one believes the 7-Year Warning and Countdown to the Last Week of 7 Years, Daniel's 70th Week of Years, to be precise. This is exciting because then the whole 2022 Year will be 'correct' in terms of calculating the Feasts from the Equinoxes and is in sync with the Sabbath Cycles, (Fall 2021 to Fall 2022 = 7 Years). And one also verified, that even in the Fall for 2022, Yom Teruah or Rosh HaShanah will occur also after the Fall Equinox in 2022, on the 1st New Moon after the Fall Equinox. Both Torah Calendar and HebCal agree to this also as with the Gregorian. Again, the 'End' of the Church Age has to do with the 7-Year Cycles. In 2022, the Calendars converge back to their proper point and how the Sabbath Cycles, after all, are all about a 'Reset'.

The 7-Year Sabbath Cycles were designed to avoid, Poverty and Perpetual Debt. It was to have no on-going Slavery. It was to regulate the Economy and control Inflation, etc. But Man in his Greed has abused it. Yet those in Power now over the whole Planet use this same Economic Principle to mark-off their New World Orders and Economic Resets, but only for their benefit. It has been a way to steal all the Wealth from the People to control them. This is why to the Enemy, their 'Reset' is huge because they know it is the 70th Week is coming and they base their 'Resets' on 7-Year Economic Cycles. Their coming New World Order will depend on ensuring all People are biometrically interfaced. And the Luciferian Globalists will try one last try to overturn Jesus' outcome and work accomplished on the Cross of Calvary nearly 2000 years ago.

Resetting the Prophetic Clock

Now also the 'Almost Tetrad' but not of 2021-22 will have its last Blood Moon on November 8, 2022. But first, it will have its 'Mate' or pair Solar Eclipse on October 25. As Solar Eclipses deals with the Nation in Jewish Lore; it occurs in Virgo. What is interesting is that the Solar Eclipse will also be a Conjunction with Venus. And right after that, Mercury is 'Birthed' from Virgo's 'Womb Typology'. It is as though Jesus comes for the Bride on the Eclipse, and then the 'Birth' or Debut of the God of This world, Mercury comes forth thereafter. This 'Birth of Mercury' is what occurred on the Eve of the COP26 Climate Summit in 2021, on the Day of the Dead, November 1.

It was the occasion for perhaps the Soft Disclosure of the 'Him' or the AntiChrist by Prince Charles. It was during his speech that he alluded to a 'Man' with Trillions at his disposal and having the capacity and ability, far beyond mere Mortals. So, by the end of the Fall Feasts will have concluded in 2022 for Yom Teruah, Yom Kippur, Sukkot but also Shemini Atzerets, and Simchat Torah. But the Jewish Year will be 5783. Thus, one's Timeline suggests that it is after Simchat Torah, of October 18, 2022, that is what starts the 1260 + 1260 Day Count. This amazing statement is thus suggesting this Timeline could very well be Daniel's 70th Week of Years, or the Tribulation Period.

**Disclaimer: One is only suggesting a High Watch Time based on the Information and Data.*

Possible Tribulation Period Timeline? – Reversed Engineered

Yom Teruah (**End**)

September 11, 2029 - 1260 Days = **April 1, 2026** (**Mid-Point**).

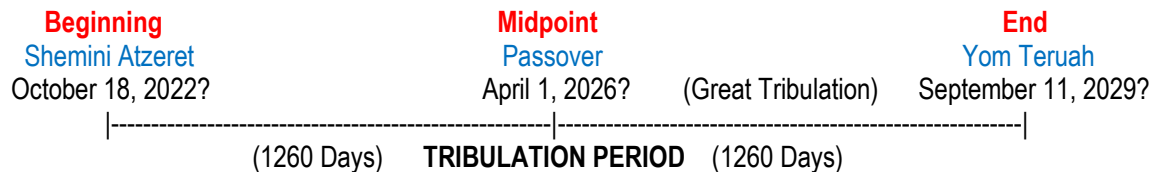

= Passover: Daily Sacrifices are stopped, by the AntiChrist, 3rd Temple, etc.

March 31, 2026 - 1260 Days = **October 18, 2022** (**Beginning**).

= Shemini Atzeret: Daily Sacrifices are begun, by the AntiChrist, 3rd Temple, etc.

Thus, based on this Timeline Model, the Tribulation Period begins: October 17/18, 2022.

= Daily Sacrifices are Sanctioned, by AntiChrist to commence and the 2520 Day Count.

Shemini Atzeret and then Simchat Torah is about Reading of the Law that the King of the Jews would proclaim to all of Israel that would be assembled around the Temple. Then 1260 Days later will be April 1, 2026. This is Passover. And then a subsequent 1260 Day Count results in September 11, 2029, Yom Teruah. Thus, one postulates that once the Temple is built, the Red Heifer Ashes applied and the Daily Sacrifices are ready, this AntiChrist will be proclaimed by the Sanhedrin as the Messiah of Israel. He will use the Simchat Torah Time to gather all of Israel around the 3rd rebuilt Temple to read the Law as that is what the Kings of Israel did. It will be as in the Times of Nehemiah that read the Law after Israel's Babylonian Captivity.

An Old Dispensation is the New Dispensation

And now the Tribulation Period will be all about the Law and how Israel will go under it again as in Biblical Times. Why? It is because the Church Age has just ended. And the Gentiles then will be accountable under the Noahide Laws. It will be the Time that Christ Jesus then Anoints the 144K young Jews to Evangelize as a Witness to Israel and the World. And astonishing, then the 2 Witness will appear in Jerusalem. This 70th Week Time will be a 'Miraculous Time' as it was in the Time of Moses and Elijah. It will be do different as it was then, for the coming and working of the Antichrist will also be authenticated with Signs and Wonder. It will be a Dual to the Death between the 2 Witnesses and the AntiChrist.

It will be a throwback to the Time with Moses and Aaron as the '2 Witnesses' against the 'Pharaoh' of the World in his City and Temple to their False God. It will be a Supernatural Time as it was with those Staffs turning into Snakes in the Court of Pharaoh or with Elijah and the Fire coming down at Mount Carmel. Consider how the Temple was Dedicated by the Man of Peace, Solomon. He gathered all of Israel and read from the Law. Then it became the occasion for Fire to come down upon the Altar to initiate the Daily Sacrifices as being 'Approved and Heard' of YHVH. This is how one believes it will replay with the coming False Solomon AntiChrist Israel will 'Accept in his Own Name'.

At Simchat Torah, by way of Satanic Powers, the AntiChrist with all the False Elder Wizards at his side will cause Fire, likewise, to come down from Heaven and ignite the Altar with the that 1st Daily Sacrifice. It will be as a 'Hanukah' Lighting Ceremony. This will 'Authenticate' to Israel and the World that he is the 'Solomon' that will bring 'Peace and Security, not only to Israel but the entire World. He will be the 'Nimrod' that will unite all the Nation around this Temple 'Tower'. This Man will be the Rider on the White Horse with only the Bow. But Israel and the World will not realize that it is for Judgment to come. Then 1260 days later? This day will be Passover, on April 1, 2026.

And what one believes is that it will be when the Daily Sacrifices will stop then. It will be the proverbial April Fool's Day when the AntiChrist, the real 'Joker' will take off his 'Mask' and show his true Nature and Intent. And it will be from that Midpoint in Time, that he will seek to Genocide all of the Faithful Remnant of the Jews that are left alive and those that come to Faith in Jesus due to the Evangelistic Work of the 144,000. It will be at that Time that he will be allowed to kill the 2 Witnesses. Many suppose they will be Moses and Elijah as their works resembles their abilities in the Biblical Narrative.

Then 3.5 Days later, they will come back to life, and stand in the midst of the People. All the World will be witnessing this, 'live streaming' to then be Raptured in their sight. This is where the literal Revelation 12 Motif actualizes, as the Remnant flees then to the Hills and Wilderness. This is exactly the fulfillment of the Olivet Discourse of Jesus' Warning in retrospect to the Abomination of Desolation shown to Daniel. This is why one is excited for 2022 that with respect to the end of the Church Age and its culminating Rapture's Timing. But of course, this Fall 2022-Fall 2029 Timeline could be just another one to be tossed in the heap of all prior ones that have accumulated.
