Projects

Playground Bathrooms

Need new water conserving toilets and urinals, with automatic flush valves, new sinks with auto-shut off faucets, new partitions, new light fixtures, possibly new tile floor and wainscot, baby changing tables, mirrors and new hand dryers.

Volunteer contractors to help install the new materials and paint.

Botanical Boardwalk

Recycled composite deck boardwalk to go through part of the botanical garden above and around tree roots, with observation decks and interactive activities for kids, (i.e. rope bridge, rope swing, tree house)

Koi Pond

Existing Koi Pond needs drained and cleaned, new pump and filters installed, and water plants installed, then filled with existing and new Koi and goldfish.

Algae control materials and fish food donations welcome as well.
