

Alarm System Apprentice Technician – (Bedford, MA)

We are looking for Apprentice Technicians to work out of our Bedford, MA office.

This is an exciting, rewarding career opportunity with significant growth potential. You will be responsible for working as part of our highly skilled and well respected installation and service teams.

Essential Functions:

- Assist installation technicians in both residential and commercial security and fire alarm system installations.
- Assist service technicians in testing, inspection and troubleshooting alarm systems.
- Delivering high-level support to our senior technicians.
- Being prepared, organized and thorough in completing all job tasks.

Requirements:

- Must be able to pass a criminal background check and obtain a Massachusetts Safety License and security clearance.
- Must have a valid driver's license with a clean driving record.
- Demonstrate good judgment and decision making skills.
- Ability to communicate effectively, both verbally and in writing.
- Desire to learn, grow and improve your skill sets.
- Desire to become licensed.

For over 40 years, Lexington Alarm Systems, Inc. has provided peace of mind to our residential and commercial customers by designing custom security, safety and environmental systems that are installed, monitored and serviced to the highest professional standards.

We offer a competitive compensation packages. Health benefits, 401K, group-term life insurance, paid time off, training and advancement opportunities.

Please submit your resume along with a cover letter to HR@LexingtonAlarm.com describing why this position may be a good fit for you.
