Indoor Play Center and Cafe

“A Great Place For The Kids To PLAY! and You To Stay.”

“We come to Rochester Play! for play dates with friends, or just to let the kids run around and get some exercise. They’ll play for hours and never want to leave...and when we do, they’re tired out!”

- Jennifer S.

Premier and active play center and cafe

Our goal is simple – provide families a place where they enjoy and can feel good about coming to play and eat. We provide a safe, healthy, clean and fun environment for you to bring your kids to play and a comfortable and relaxing or active setting for you during your stay. We want you to have the best play experience possible, so we’ve tried to cover all the bases of what parents are looking for... a clean environment, safe play equipment, great tasting and healthy food, Dippin Dots ice cream, coffee and smoothie bar, free wi-fi, comfortable seating, indoor walking track, and wonderful staff to ensure that all your needs are met.

What is there for my kids to do?

Climb, jump, roll, slide, swing, crawl, explore, and play! Our custom built, northern Michigan themed, soft cushioned climbing structure and active gaming area provides plenty of opportunities for gross motor activities for kids aged 1 - 14! No ball pits or bouncy rooms here; our play structure is built for good, old fashioned playing and our games have been specifically selected with active play in mind. We also offer a separate, smaller play structure that is reserved for toddlers under the age of four that provides lots of fun activities that are more age appropriate.

What do I do while they play?

Play with them if you’d like or stroll around our walking track – 22 laps is a mile! Our structure and active games are selected and built for kids of all ages, and is strong enough to hold even the biggest of kids! If you’d rather let the kids play while you kick back and relax, then we have some comfortable seating for you while you watch them play. Our center has free wi-fi, a café with lots of tasty and nutritious options, coffee drinks and smoothies, and large screen TVs for the grown-ups.

What is the cost of using the Play Center?

We have three affordable admission pricing options for you to choose from to meet your needs.

 - \$11.00 per day for children ages 4 and up

Reduce, Recycle, Re-use!

Teaching our kids to value their environment can be fun! Our Play Center and café creates an opportunity for a teachable moment...whether it’s talking about the animals in our decor or showing your kids how to use our kid-sized recycling bins, you can help them learn to value the world around us during their fun outing. Together, our efforts contribute over five times the amount of recycling than trash.

Let’s move and raise a healthier generation of kids!

Our Play Center will make ‘em sweat and kids love all our café food and drink choices! As a parent, you will too! We hope and invite you to compare our offerings with other centers. With childhood obesity still on the rise and nearly one in three children in America either overweight or obese, it’s important to give kids plenty of daily opportunities to run around and play as well as have the ability to make healthier, great tasting food choices. Whether you are looking for some family time, or you’re just looking for a new challenge for the kids, our play structure and active game area is just the thing to get them moving. We guarantee that your little one will sleep a little better after getting some much needed fun play and exercise at our center. Our café has lots of delicious and healthy options for them to re-fuel; you won’t have to worry about trying to talk them out of junk food when they’re ready for a snack, because there isn’t any here and the kids love what we offer!
