

**DRAFT MEETING MINUTES**  
**ROCKY MOUNTAIN CHAPTER**  
**VIETNAM HELICOPTER PILOTS ASSOCIATION**  
**June 17, 2020**

This was our second Zoom Conferencing meeting. It went very well with 15 members, which included a couple new participants. The American Legion Post 1 is Open for the time being but that may change as the influence of the pandemic changes. It has become worse in a number of states but Denver seems to be holding its own. In the mean time we will continue to "Zoom". When we begin physical meetings again we anticipate "Zooming" those meetings in addition to the physical meeting. We hope to gain virtual attendees thus expanding our reach.

Here are the attendees via Zoom at the May meeting; I forgot to take a picture of the June meeting attendees.

We will hold our July 17, Meeting via Zoom. Stay tuned for invite information.
