

11/2/2018

I wrote a quick newsletter for November to remind everyone the FPPA census letter was mailed this week. If you all have any events coming up or have other retired Denver police lists you subscribe to, please encourage them to fill out and return this to me. Note I am heading out-of-state to my hometown to see my family over Thanksgiving week, so I will technically be out of the office from November 16-23. However, I will have my laptop and work cell phone as I'm sure I'll still need to work with everything that's going on the next couple months!

To confirm, I don't plan to do monthly newsletters all year round, but if I have important notices I'll send them more often than quarterly. The end of the year has a lot happening so you'll likely see them from me monthly through February or so.

Have a nice weekend and a Happy Thanksgiving if I don't talk to you again soon!
