III. President's Report (John Mannion)

- a. NYSUT legislative Breakfast is January 12, 2019
- b. Calendar for next school year- we can only provide input, we do not have approval. Many things such as contracts and schedules have to be taken into consideration, including regents schedule. we should be receiving a draft in early Jan. No longer putting half days on Fridays- in part due to number of teachers who are 'sick' on those Fridays. Snow days- see contract for specifics on how we determine the number of 'give back' days.
- c. Seniority List- last year so many errors. So instead of giving to look at, executive went through it and found multiple errors, we will be sending it back to Dave to make corrections before we release it out.
- d. From last meeting:
 1. Documentation of discipline and behavior in Schootool is important but continues to be an issue / and goes against administrative instructions. Needs to be clarified, and checked against past SLC minutes
 2. Dr Brown is going to EH Friday to discuss air quality/ safety reports.
 3. Tracking paper for absences- continue to be concerned about asking to be tracked.

IV. Treasurer's Report (Mary Gotham)

- a. Financials- we spent more than we took in which is unusual. Stipends were given today. All is equal.

V. Membership Chair (Matt Bolha)

Doing well. Trying to keep track in a different way. He will email building reps to keep clarifying membership lists.

Building Level Reports

OR- summary sheets for absences- principal will print them

- Cancellation due to FAST swat testing- concerns about efficiency.
- Issues with IS leaving before the day is over. – all these things should be brought directly to principal. Issues have continued to be discussed repeatedly from year to year
- Errors on report card!! All the report cards were riddled with errors and needed to be reprinted- inaccurate for boxes that were shaded out, so it left blank spaces on the report cards. we will get into it to review and get it right.
